

HENRY FORD ATUO PLANTS RESUMED WORK LAST NIGHT

Satisfactory Arrangements Made for Supply of Coal

(By The Associated Press)
DETROIT, Mich., Sept. 21.—Henry Ford's industrial strike came to an end tonight.

At midnight his great automotive plants in the Detroit district employing upward of 70,000 men, which were closed last Saturday, resumed work. The manufacturer's protest against what he terms excessive coal prices were against the scenes of industrial activity. The order for the re-opening of the plants came this forenoon from Edsel Ford, son of the manufacturer and president of the Ford Motor company who made arrangements to obtain coal during a conference in Cincinnati yesterday with the mine operators.

The re-opening order was approved by Henry Ford and official announcement given to the thousands of Ford workers throughout the country.

Edsel Ford in his telegram, copies of which were despatched to every Ford assembling plant in the country, said the interstate commerce commission's latest order permitting the flow of fuel to automobile plants previously put in the non-essential class made it possible to obtain a sufficient coal supply to operate the Ford enterprises. Executive offices of the concern saw the setting in motion of machinery for the re-opening within a few minutes after Mr. Ford's message was received. It was announced the late night shift of workers should report at midnight and that succeeding shifts should resume the usual routine tomorrow.

The re-opening order today not only puts back on the payroll the more than 70,000 Ford workers in Detroit and the 30,000 others in assembling plants throughout the country but also means re-opening of scores of small machine shops and accessory concerns, chiefly in the Detroit district, that were obliged to close last week because the Ford company is their sole or chief customer.

These small concerns employ upwards of 120,000 men. Ford employees received the news of the re-opening plans with undisguised relief.

Details of the arrangements whereby Mr. Ford is to obtain sufficient coal to run his factories at what he terms "an honest price" were lacking here tonight due to the absence of both Edsel and Henry Ford. The latter soon after he approved the re-opening order departed for the south. The closing and subsequent re-opening are the two most important chapters in a verbal battle that has been waged by Mr. Ford against the interstate commerce commission and certain coal brokers. In a recent public statement the manufacturer charged the commission had played into the hands of persons who desired to charge excessive coal prices, declaring this was accomplished through promulgating of priority orders.

TRUE BILLS IN BOOTLEG CONSPIRACY

(By The Associated Press)
CHICAGO, Sept. 21.—True bills against forty three persons alleged to have been connected with a Havana-to-Chicago via New Orleans bootlegging conspiracy were reported to have been returned by the grand jury today. According to federal agents, the key value of \$2,000,000 was smuggled into the United States from the Bermuda Islands, transported to New Orleans by water and thence by rail to Chicago.

TRUCK FARMER KILLED BY POLICEMAN

Chicago, Sept. 21.—August Timm, a truck farmer, was shot and killed tonight following a quarrel on his farm. John J. McEnroe, a policeman, said he had been forced to shoot Timm in self defense after he had been attacked and severely beaten by a party of farmers while hunting his dog. The policeman was taken to a hospital.

WEATHER

Illinois—Fair and warmer Friday and Saturday.

Temperatures.

WILLIAM REES IS ELECTED HEAD OF STATE HIGHWAY MEN

L. R. Craig of This City is Chosen on Legislative Committee

(By The Associated Press)
SPRINGFIELD, Ill., Sept. 21.—A state wide campaign to reduce the number of accidents at grade crossings, "dangerous highway corners," was inaugurated here this afternoon, by the adoption by the Illinois State Association of Highway Commissioners and Town Clerks, of a resolution pledging the aid of all highway commissioners to the Illinois commerce commission in a state wide movement.

Resolutions adopted were in part as follows: "Resolved that we extend our hearty co-operation to the Illinois Commerce Commission and will assist them in any manner possible to bring about the elimination of accidents at grade crossings, and dangerous highway corners, by raising the highway grades to the width of their right-of-ways, and eliminating all barriers such as hedges, buildings, sign boards, and everything else pertaining to obstructing the public view and that the commissioners of highways of each respective township or road district immediately start a campaign by lectures and posters educating the public as to the danger to human lives due to carelessness at grade crossings and reckless driving on the highways."

Another resolution urged farmers from whose farms sand blows upon the public road in quantity enough to spoil the road, to plant shrubs, hedges and trees, a distance away from the highway to hold back the sand. They also urged passage of a law prohibiting farmers from burning brush on the public highway, "and that all hedges be cut 300 feet back of each angle at every corner and all hedges on public highways be trimmed at least twice a year, in June and September for the safety of the public."

Officers elected by the association were as follows: President, William Rees, Franklin, vice president, A. F. Kendall, Waterloo; secretary and treasurer, Charles Becker, Decatur. Legislative committee, Fay L. Houtchens, Blandinsville; Harry Fields, Chicago Heights; Charles Becker, Decatur; J. L. Shore, Dupage; and L. R. Craig, Jacksonville.

UNITED STATES MAY BE AT CONFERENCE

(By The Associated Press)
WASHINGTON, Sept. 21.—Suggestions in press dispatches that Great Britain would welcome the presence of the United States in the forthcoming conference on the problems of the Dardanelles, brought the statement from administration officials today that possible American participation is being given no consideration in Washington.

Since the United States without having been consulted was named in the treaty of Sevres as one of the nations to share in an international administration of the Dardanelles suggestions for American participation in the proposed peace conference with the Angora government are not unexpected. It was emphasized today, however, that whatever interest the United States may have is confined to the necessity that free passage for American ships through these waters be assured. Thus far no official suggestion that this government participate in the conference have reached Washington.

Rear-Admiral Bristol at Constantinople reported today that his efforts to arrive at a joint plan of relief for all refugees at Smyrna with the British, Italian and French commissioners had been delayed as the French commissioner was absent in Smyrna, and neither the British nor the Italian commissioners had received instructions on the point.

WILL ASSIST IN DEFENDING SUITS

(By The Associated Press)
MARION, Ill., Sept. 21.—Attorney General Brundage of Illinois today announced his office would assist the county in defending any civil suits filed against it in connection with the Herrin mine killings. Already approximately \$275,000 in claims have been filed, but the Williamson county board of supervisors announced it would not allow any of them. The attorney general today asked the supervisors to make an appropriation to help defray the expenses of the special investigations but they did not indicate what their action would be.

ALLEGED SLAYER IS SMUGGLED OUT

Baltimore, Md., Sept. 21.—Walter Socolow, wanted here in connection with the holdup and murder of William M. Norris, contractor, August 18, and who was rushed out of New York by Baltimore detectives pending decisions by Judge Martin of the New York supreme court on habeas corpus proceedings, arrived here tonight under guard of the detectives. Socolow was taken in an automobile to Jersey City, where the party took a Pennsylvania railroad train to Baltimore.

BRITAIN REFUSES CATEGORICALLY TO WITHDRAW TROOPS

Definite Statement is Issued by British Official Circles

(By The Associated Press)
PARIS, Sept. 21.—Great Britain has refused categorically to withdraw her troops from Chanak and has so informed the French government. This was definitely stated in official British circles tonight in reply to a persistent report in French quarters that the British forces would probably be retired on the other side of the straits. Lord Curzon, the British foreign secretary was in communication with Premier Lloyd George throughout the day and the French premier received notification late this afternoon of the decision to hold the troops at Chanak.

The British government has been advised by military and naval experts that the troops are in no danger of attack by the Kemalists.

Meanwhile, according to dispatches from Constantinople the French and Italian contingents have been withdrawn from the neutral zones by order of their governments. The British say they have the assurance of Premier Poincare himself that the Turks will not attack, the premier declaring that the only danger was from Turkish irregulars.

A further decision of the British government which will be formally announced at tomorrow's meeting is that its representatives will go to the proposed conference with an open mind and will refuse to concede the Turkish claims to Thrace, Adrianople and Constantinople in advance of the peace meeting. These two decisions come as a great disappointment to France.

The British contend that if the Turkish demands were accepted immediately there would be no need of a conference. Complete accord between France and Great Britain therefore is remote.

TRY TO DETERMINE LOCATION OF ONWARD

(By The Associated Press)
NEW YORK, Sept. 21.—The United States coast guard cutter Seneca was sent to sea today to determine the exact location of the Onward, a vessel flying the British flag which last night defied prohibition officers aboard the Hahn, flagship of the dry navy.

The Seneca it was said had orders to seize the Onward if she was within the 12 mile limit. The vessel, prohibition officers said, is believed to be carrying a cargo of liquor and awaiting an opportunity to transfer it to a smaller boat for smuggling into the United States.

The revenue cutter Newberry set out early today in quest of the Onward, came across the sea-going tug Pessica L. M. Kehoe, arrested its crew of fifteen and seized whiskey valued at \$200,000 at bootleg prices.

The captain of the Onward, which formerly was Henry Ford's private yacht was said to have threatened to shoot the first prohibition sailor who tried to board when the Hahn attempted to seize the vessel last night.

Prohibition enforcement officers here said that in seizing ships within the 12 mile limit the prohibition navy operated under a law more than a century old.

INVITES OPERATORS TO CONFERENCE

CLEVELAND, O., Sept. 21.—An invitation to all bituminous operators of the United States to meet here October 2 with representatives of the United Mine Workers of America to devise an entirely new machinery of wage bargaining to replace that of the Central competitive field which broke down prior to the recent national coal strike was sent out from here today. The main object of the conference, it was explained is to prevent another coal strike next April.

The conference also will initiate an investigation of the industry concurrently with that carried on by the fact finding commission to be named by President Harding.

The call was signed by John L. Lewis, president of the United Mine Workers of America and Thomas K. Mahr, Cleveland and Coal Operator under authority given at the joint conference here last month which subsequently resulted in the almost complete ending of the soft coal strike. Mr. Mahr was chairman of this conference.

REPLACE CALUMET WITH CIGARETTES

Chicago, Sept. 21.—The ready made cigarette displaced the peace pipe at the opening today of the Indian Fellowship League annual convention.

The convention will last for six days and is being held in a park in the western section of the city.

Indict Those Who Refused to Testify

(By The Associated Press)
MARION, Ill., Sept. 21.—Of the many persons who refused to testify before the special grand jury investigating the Herrin mine killings last June, all but one of the cases already have been disposed of and that one, according to Attorney General Brundage of Illinois, will have to be settled before the jury adjourns and makes its report next Saturday.

Attorney General Brundage tonight declared that attorneys are busy writing indictments and that these which are expected to be thirty in number, will be returned late Saturday.

The grand jury will not adjourn Saturday but instead will recess indefinitely according to the latest information obtainable.

Another large batch of witnesses appeared before the grand jury today including Colonel Sam Hunter of the adjutant general's office at Springfield.

Colonel Hunter was reported to have been questioned for the purpose of obtaining more information as to the responsibility for failure to call state troops to quell the riots at the strip mine of the Southern Illinois Coal Company near here June 21 and 22, in which the non-union workers were killed.

Mr. Brundage said the lack of memory on the part of the young men is appalling and their seeming willingness to perjure themselves is surprising.

"The young men seem to think it an honor to perjure themselves," Mr. Brundage continued.

On the other hand, Tom Ward, a farmer living south of Marion, appeared before the grand jury and told of threats that had been made to blow him and his home up for his testimony. Mr. Brundage added. But the threats did not deter him from testifying. He replied that he was 80 years old and had enjoyed life so far that he guessed he wouldn't miss much now if he was blown up.

AMERICAN TARIFF ENTERS NEW PHASE

(By The Associated Press)
WASHINGTON, Sept. 21.—American tariff making will enter a new phase tomorrow with the coming into force of the tariff act of 1922. For the first time in history congress has delegated part of its authority over taxes at the customs house conferring upon the president broad powers to increase or decrease duties and to change from foreign to American valuation as the basis for assessing ad valorem duties on imports.

Referring to the sections carrying this grant of authority, President Harding in attaching his signature to the new act, declared today that "if we succeed as I hope we will succeed in making effective the elastic provisions of this bill this will prove the greatest contribution toward progress in tariff making in a century."

The tariff commission created during the administration of President Wilson will be the agency through which the president will exercise his new authority.

Chairman Marvin said today the commission had not yet had time to work out details of methods of procedure. When this task has been completed rules and regulations will be made public. While the commission has for years been engaged in making investigations as to differences in cost of production at home and abroad and gathering facts about domestic industries, Mr. Marvin said its functions would be greatly enlarged under the new act.

DETECTIVES WORK ON NEW CLEW

(By The Associated Press)
NEW BRUNSWICK, N. J., Sept. 21.—Detectives investigating the murder of the Rev. Edward Wheeler and his choir leader Mrs. Eleanor Reinhardt Mills were working tonight on a report that an attempt had been made on Mrs. Mills' life several weeks before her body was found besides that of the rector, on the deserted Phillips farm.

This report—which fits in with the theory of personal enmity on which the authorities have concentrated most of their efforts since the discovery of the bodies—was to the effect that shortly before Mrs. Mills went to a hospital for an operation she had attended a tea party, and partaken of refreshments. She left a short time later complaining of illness and the report ran and when she reached home told her daughter Charlotte that she believed she had been poisoned.

The development coupled with news that James Mills, husband of the slain choir leader had disappeared from New Brunswick, furnishes the high spots in a day that teemed with new angles to the case.

Believing the establishment of the fact that gossip regarding Mr. Hall and Mrs. Mills was prevalent definitely strengthened the theory of an enemy motive for the murder—or the theory advanced by Detective Ellis Parker of Burlington county today that a self appointed "moral censor" might have committed the crime other detectives spent the day visiting various members of the congregation and questioning them as to their knowledge of the gossip. Altogether they were reticent as to the results of these fishing expeditions it was learned that one woman had been found who spoke definitely of two occasions on which the clergyman and Mrs. Mills had been alone together.

CHARGED WITH TAKING JEWISH RELIEF MONEY

Chicago, Sept. 21.—Charged with taking \$60,000 sent to relieve starving Jewish people in Russia, Hymen Podolsky was held to the grand jury today. He was accused of collecting funds in Chicago, New York, Philadelphia and Boston from poor aliens to help their relatives abroad and with having spent this money during a year he lived in Paris.

Thomas O'Brien has returned to his home in the Cherry flats after a visit of three weeks in Chicago. Mr. O'Brien has entered Illinois College.

DECISION TO BE HANDED DOWN IN INJUNCTION SUIT

Judge Wilkerson Will Make Ruling at 10 o'Clock Saturday

(By The Associated Press)
CHICAGO, Sept. 21.—Fate of the government's suit for a nationwide injunction against the striking railroad shop workers will be announced Saturday morning at 11 o'clock by Judge James H. Wilkerson.

In the meantime the temporary restraining order which had been in effect since September 1 is continued in force by the order of the court.

Attorney General Daugherty read the draft of the proposed injunction to the court and after a brief statement in defense of the government's right to enjoin the strikers brought the case to a close at 3 p. m. The hearing started ten days ago today.

Injunction will differ but little from the restraining order. Its terms have in some cases, been made more binding and its phraseology clarified in doubtful passages, but, with one exception, it is every bit as drastic as the order now in force.

The one outstanding modification is a paragraph specifically asserting that nothing contained herein shall be construed to prohibit the use of the funds or money of any said labor organization for any lawful purpose.

To the original restraining order the government has also added in the new bill an addition provision that the application for a preliminary injunction shall be continued against all defendants who have not been legally served with notice of the present hearing, the application to be heard at such time as the court shall select.

In explanation of the injunction bill Attorney General Daugherty told the court that "this order does not question the right of a man or any number of men to strike, but it restrains them from unlawfully striking back."

The enforcement of this decree will not deprive any man of any lawful right."

"The law of this country," he continued "as applicable to cases of this kind, where transportation and the carriage of the mails is involved is somewhat different from the law where so-called industrial disputes and strikes are involved."

WOULD KEEP WINE AND BEER OFF THE BALLOT

(By The Associated Press)
CHICAGO, Ill., Sept. 21.—Council for the Anti-Saloon League has filed a brief with Secretary of State Louis L. Emerson at Springfield, Ill., asking that he withhold from submission to the voters at the November election the "beer and light wines" public policy question it became known here today.

The petition asking submission of the question to the voters was signed by over 500,000 men and women of the state according to its proponents. The league in its brief seeking to keep the proposition off the ballot contended that the question involving a proposal to modify a federal law is not covered by the Illinois public policy act, that the state cannot legally what the federal laws and constitution prohibit and that it is not the right or function of a state to hold an election on a question of modifying the federal constitution by nullification.

Albert S. Austrian, attorney for those seeking to gain an expression of opinion from the people of Illinois regarding the beer and light wines issue, asserted that the supreme court of Ohio in deciding a similar question had ordered the secretary of state to submit the proposal as to whether the constitution of Ohio should be amended to permit the thing on which Illinois desires an expression of opinion.

THIS CORPSE GOT ARRESTED

Chicago, Sept. 21.—When a corpse sat up in a stretcher today and argued with a mortician's assistant, the dead man was taken into court and fined \$1 for disorderly conduct.

Joseph Rops, 23, was the victim of a misunderstanding which arose when he was found lying on the railroad tracks and turned over to the undertakers as dead.

MARRIED AT POINT OF GUN—GETS DIVORCE

Chicago, Sept. 21.—Declaring she had been wooed and wed at the point of a gun and deserted three hours after the ceremony, Mrs. Nellie Butterworth was assured by Judge B. B. Miller today that she would be granted a divorce.

EX-CONVICT KILLED

St. Louis, Mo., Sept. 21.—William L. Singer, 30, an ex-convict, was shot and killed by a policeman tonight after he had resisted questioning by the officer, who was slightly wounded by Singer.

CONGRESS MAKES READY FOR FINAL ADJOURNMENT TODAY

Last Moment Legislation Being Prepared for President Harding

(By The Associated Press)
WASHINGTON, Sept. 21.—Final touches were given in congress today to last moment legislation and leaders predicted adjournment sine die some time tomorrow afternoon releasing members for the election campaign and home affairs unless the prospective call by President Harding for a special session about November 15.

The deficiency appropriation bill tonight was the only important bill on the Republican leaders program for passage before adjournment. This bill was passed today by the senate and after the conference report tomorrow the adjournment gavel is due to fall. The house resolution arranging for adjournment at two o'clock was given today to Chairman Warren of the appropriation committee to present to the senate for adoption upon completion of the deficiency bill.

President Harding was expected to attend the closing hour of congress to sign the deficiency measure and other minor papers.

Postponement of action on two other important bills before the senate administration measure to loan \$5,000,000 to Liberia and the Dyer anti-lynching bill, appeared to be certain. Republican leaders said that opposition and protracted speeches begun today would prevent votes being reached on both bills.

ADVANCE ON STRAITS WILL MEAN WAR

(By The Associated Press)
CONSTANTINOPLE, Sept. 21.—Hamid Bey visited General Harington, commander of the allied forces today and explained that what the Kemalists were seeking was the right to cross the Dardanelles, a privilege already accorded to the Greeks.

General Harington replied that a Turkish advance on the straits meant a declaration of war against Great Britain and would be resisted with all vigor.

Hamid Bey replied that the Kemalists did not wish to fight the British.

A means of avoiding a breach was then discussed. General Harington proposed that a conference be called early in October or sooner and asked Hamid Bey to guarantee that the Turks would observe the neutrality of the straits until then. The Turkish envoy replied that he would not furnish such a guarantee. Later General Harington received the Turkish war minister and the minister of the interior and they discussed how peaceful conditions could be maintained in the capital in the event of disorders.

The allied commander warned the war minister that all trouble makers would be arrested and tried by court martial. Plans for the disarmament of the population were considered, but no effective method was found. The Turks insist that the Greeks and Armenians have hidden arms; a similar charge is made by the Greeks and Armenians against the Turks.

The French and Italian generals express regret that their governments find themselves unable to participate in the preparations for defense.

REPORT FIRING ON U. S. NAVAL BALLOON

(By The Associated Press)
ROCKHILL, S. C., Sept. 21.—A United States naval balloon which its officers reported had been fired upon near Monroe, N. C., landed near here late yesterday because of loss of gas, it was learned here today. The firing presumably was done by moonshiners, it was said, but none of the five occupants was injured.

The balloon, in command of Ensign W. J. McDusky, was enroute from Norfolk on a training flight. Officers were quoted as saying the gas bag began to leak shortly after they were fired upon and that although they discarded all possible ballast they finally had to descend.

BONUS FIGHT HAS ONLY BEGUN—MacNIDER

Washington, Sept. 21.—Announcing that the fight of the American Legion for adjusted compensation had "only begun" Hanford MacNider, national commander of that organization declared tonight in a formal statement "reputation of those who have defended the nation is not for the good of any country."

RAILWAY POSTAL CLERKS CONTINUE AFFILIATION

Washington, Sept. 21.—By a vote of almost two to one the railway postal clerks have voted to continue affiliation with the American Federation of Labor it was announced today by the Railway Mail Association. A referendum mail ballot taken by the association during September resulted in 7,131 votes favoring continuation of affiliation to 3,830 against.

JUDGE JONES WILL HEAR ARGUMENTS AT CARROLLTON

Second Attempt to be Made to Dismiss Accounting Suits

(By The Associated Press)
CARROLLTON, Ill., Sept. 21.—A second attempt to secure dismissal of suits for accounting brought by Attorney General Brundage against Governor Len Small, State Auditor Andrew Russell and Lieutenant Governor Fred L. Sterling, former State Treasurers, and their former bondsmen, will be made when attorneys for the defendants launch their arguments against the bills of complaint before Judge Norman Jones in circuit court here tomorrow.

Judge Jones on September 11 at Springfield denied a motion to dismiss the governor's suit and asked the attorneys to come to Carrollton, where he is now holding court, to argue the demurrers.

All defendants, thru their attorneys, have filed demurrers, naming some twenty instances in which they allege the complaints are defective. Arguments on these will start at opening of court tomorrow morning. A lineup of legal talent such as Carrollton seldom sees will be present in court.

Former United States Senator Lawrence Y. Sherman and his law partner, Noah C. Balm, will represent State Auditor Russell. Frank P. Quinn of Peoria and Former Attorney General Patrick J. Lucey of LaSalle will represent Lieutenant Governor Sterling.

W. W. Schroeder of Kankakee will argue for Governor Small and it is possible C. C. LeForge of Decatur, chief of counsel for the governor in his Waukegan trial will be present.

Judge Owen P. Thompson and John J. Reeve of Jacksonville, will represent the other defendants.

On the side of the Attorney General will be assistant Attorney Generals Clarence N. Boord and Ashton Campbell.

Attorney Schroeder for Governor Small said tonight he was confident his demurrer would show a number of flaws in the bill. Assistant Attorney General Boord said many of the grounds of demurrers were, clearly untenable, and he believed no errors fatal to the bill would be found. He was confident, he said the case would come to trial.

JUSTICE CLARK DENIES REPORT

(By The Associated Press)
YOUNGSTOWN, O., Sept. 21.—Reports that Former Justice John H. Clark of the United States supreme court had resigned from the bench in order to seek the Democratic nomination for president in 1924 on a league of nations platform were denied by Justice Clark in a statement issued here today.

Although he hopes to "aid in the search for the man or group of men and women competent for leadership of the league cause and proposes to devote much of his leisure to working for the league he has no intention of becoming a candidate for any office, he declared.

"To a lawyer," said Justice Clark, "there is no higher honor than that which I have had and which I resigned. I did not intend to become and shall not under any circumstances hereafter become a candidate for any public office."

CAR RUNS INTO LAKE CHILDREN DROWNED

(By The Associated Press)
POUGHKEEPSIE, N. Y., Sept. 21.—Mrs. Matthew Smith of Poughkeepsie, New Jersey, left her children in her automobile parked today on the road beside Stissing Lake, 25 miles east of here, while she entered a postoffice nearby. In her absence the automobile rolled down a slight incline, plunged into the lake and the three children were drowned. It is believed the children had released the emergency brake, while at play in the car. The children made a futile attempt to stop the automobile by steering it into a tree. The car barely missed the tree. The bodies of the children were found shortly after the accident.

BATTLE CREEK DOCTOR TRIES TO SUICIDE

(By The Associated Press)
CHICAGO, Sept. 21.—Dr. E. H. Spore, physician of Battle Creek, Mich., attempted suicide in a Pullman car enroute from Kansas City tonight by cutting his throat with a razor. He was taken to a hospital by the police when the train reached Chicago. Physicians said he may die.

Dr. Spore's wife, Sarah, resides at Augusta, Mich. He formerly lived at Kirsksville, Mo.

No motive for his act was given.

If all were as powerful as Henry Ford no doubt we also could get fair and satisfactory prices from the coal operators. Mr. Ford's plant shut-down quickly accomplished the desired result.

The new tariff law has been signed and the measure which its advocates promise will bring better business conditions is now effective. At any rate the bill will be a handy explanation for higher prices to the consumers in some lines.

Just about the greatest need of this country is the discovery of some method of cutting down the number of auto accidents at grade crossings and along hard road-travel but only in rare cases are the laws obeyed.

Mental tests for all car drivers is one of the wild methods suggested for handling the problem. That is not the right plan, but surely there is one which can be made effective for saving autoists from themselves.

At any rate the president was very clear in giving his reasons for his veto of the bonus bill. Congress passed the bill and then provided no means for meeting the extraordinary expenditure of four billion dollars, a fact which brings into question the sincerity of many supporters of the bill. Mr. Harding took the course he thought right without regard to popularity or coming elections.

"Good old-fashioned folks are they? They say an undisputed thing in such a solemn way." Most of our pillars of society realize little about world-movements. They are startled when Frezier wins the primaries in North Dakota, but they do not know that fundamental reforms all over the world now seem likely to come from embattled farmers rather than from Socialists. The farmers are now in power in Poland, Bulgaria, Austria. They have parties in Canada and Australia. In New South Wales, a leader of the Farmer's Party says: "We do not want more people in towns and cities."

The Green International is likely to play a bigger part in the next decade or two than is the over-talked of Red International. When the International Labor Conference, set up by the Peace Treaty, meets at Geneva, October 15th, agricultural questions will loom large. Our Farm Bloc has not shown much sense yet. It is inexperienced and uneducated, but it feels the breath of freedom in its nostrils, and after a few more follies it may begin to represent that element on the land which all over the world is beginning to rumble out the omens of its coming power.

CAN YOU DO IT? (NEA)

If you are face-to-face with a task that seems impossible, consider this: In 1827 the Boston Courier said editorially, "The project of a railroad from Boston to Albany is impracticable, as every one knows who knows the simplest rule of arithmetic, and the expense would be little less than the market value of whole territory of Massachusetts; and which, if practicable, every person of common sense knows would be as useless as a railroad from Boston to the moon."

Nevertheless, "crazy visionaries" went ahead and laid a network of railroads. Having imagination, they clairvoyantly sensed the future in store for New York and other states.

Men of the sort of those early railroad builders are the forces which drive humanity steadily along the road of progress. They prove that virtually nothing is impossible.

When the elevated railroad was first suggested even Old Man Vanderbilt roared with laughter. "Impossible," he declared, "Whoever heard of a railroad on stilts?" Nevertheless, the gentlemen who refused to admit that anything might be impossible went ahead with their plans. They built the elevated. Wonder what Vanderbilt would have said about a proposal to bury tracks, trains and passengers in subways? The history of human failure is

a never-ending serial story, each installment a repetition of "It's impossible," and "I can't do it." The history of success is a much smaller volume. But it also is a never-ending serial story, with the characters muttering firmly, "Nothing is impossible," and "I'll do it or die in the attempt."

All powers and talents of man, all natural wealth of the earth, are merely fingers on the hand known as Human Will Power. Without a never-lagging will-power nothing can carry you thru to success. With will power you can attain what you want, even if some of the fingers of human ability and wealth are lacking. Will power cannot be developed, for it lies dormant in every person's character. What we call development of will power is merely the bringing to life of a sleeping giant.

That giant, if not already roused, can be awakened in you in the twinkling of an eye.

FUNERALS

McGinnis.
Funeral services for William A. McGinnis were held from Liberty church west of the city Thursday afternoon at 2:30 o'clock in charge of the Rev. Roy March of White Hall.

Music was furnished by Mrs. Fred Ranson, Mrs. Howard Martin, W. G. Wolfe and A. G. Cody. The flowers were cared for by Mrs. Eli Alves and Mrs. Otis McGinnis.

Burial was in Liberty cemetery the bearers being, Everett Gilliland, William Gilliland, Leslie Gilliland, Otis McGinnis and John McGinnis.

Patterson.
Funeral services in memory of Mrs. Alexander Patterson were held at 1:30 o'clock Thursday afternoon at Centenary church with a large attendance as Mrs. Patterson was one of the old time residents of the county.

The services were in charge of Rev. C. D. Robertson, pastor of the church, assisted by Rev. F. E. Bracewell, pastor of Ebenezer church. The ministers made a special reference to the long and useful life of the deceased and in every way the services were appropriate.

Music was furnished by Miss Cora Graham, Mrs. Mae Hitt, Messrs. T. H. Rapp and W. W. Gilliam. The flowers were cared for by Misses Martha and Ruth Patterson and Mrs. White.

Interment was in Ebenezer cemetery, the bearers being T. H. Rapp, C. O. Johnson, C. O. Patterson, Charles Boston, James Martin and Dr. Willerton.

Coleman.
Impressive funeral services were held at the Old People's home Thursday morning for William Coleman, a resident of the home for the past ten years. The services were conducted by Rev. M. L. Pontius and interment was in Diamond Grove cemetery.

Music was furnished by Messdames Ellis and Hutchison. The bearers were: A. C. Rice, Felix Sims, Charles Martin, Messrs. White and Dunbar and Dr. Morrison of Springfield.

SPECIAL NOTICE

Owing to the turn away of crowds we have had during the engagement of
RODOLPH VALENTINO
in
Blood and Sand
we have decided to hold the above picture over for today.

This will give all who want a chance to see this truly wonderful star in the best production that he has ever appeared in.

"Miss America" Becoming Famous

Ever since Miss Mary Katherine Campbell of Columbus, O., won the title in a recent national contest of "America's most beautiful girl," she has been sought after by artists, movie men and theatrical producers, all anxious to display the beauty to the public. Here Miss Campbell is shown sitting for a portrait by Joseph Chammas Chase, noted New York portrait painter.

THE CARE OF PEONIES

The following article with reference to the care of peonies will be read with interest by a great many Jacksonville people who have peonies in their yards and value the spring time brilliancy of the flowers. The suggestions are made by a Jacksonville man who has made a special study of flowers, shrubs and landscaping.

Peonies may be planted any time the ground is in condition to work, in September, October or November, preferably September, as September and October plantings will give a fair amount of blooms next May.

The peony is of such easy culture that it is not at all particular, like most plants, as to soil, as it will grow in rich, poor, black or clay soil.

Prepare planting ground by digging at least two feet but when the ground has settled, the top of the root should not be over two inches below the surface of the ground, which should be well drained as peonies will not stand wet feet.

Do not have any fertilizer come in direct contact with the roots. Do not cover the tops of plants with manure, or other fertilizer, as peony stems are hollow and the liquid manure from rain and snow is carried down to the heart of the plant, thereby injuring it.

Put old manure around, but not over, the plant and in the spring dig the fertilizer into the surrounding soil. There is probably no flower grown that gives such satisfaction with so little care, and unlike tender plants, do not have to be bought every year, but can be divided every three or four years.

Among the many beautiful and comparatively inexpensive varieties are, in white: Festiva Maxima (the finest white of all); La Rosalie, Avalanche, Couronne d'Or, Duchesse de Nemours, Madame de Verneville, Marie Lemoine, Queen Victoria, Duke of Wellington, La Tendresse etc.

In pink colors, Asa Gray, Floradale, Golden Harvest, Dorchester, Edna Superba, Marie Stuart, Grandiflora, Monseigneur Jules Elie, Madame Ford, Monsieur Vrelage. In reds, "Felix Crousse," is considered the best, being a clear dark rose without any muddy purple shadings; Augustin d'Hoer; De Boisdaval, Melonier (or American Beauty), Madame Buequet, Ruba Superba, Atrasanguina, Augusta Lemonier, Berlioz, Prince Imperial, Francois Ortega, Fulgida.

REMOVAL NOTICE
After today, Sept. 21st, our store will be located at No. 108 North West Street, entrance opposite east door of court house, 49 STEPS FROM WEST STATE ST.

We cordially invite our friends and patrons to call at our new location where they will find a full line of groceries, fresh vegetables, and a delicatessen department.

DOUGLAS GROCERY & DELICATESSEN

MRS. ANDERSON DIED
FROM HEART DISEASE
Coroner Rose went to Waverly Thursday morning to hold an inquest over the remains of Mrs. Milford Anderson, who died there very suddenly Wednesday night. The verdict returned was to the effect that Mrs. Anderson died as the result of acute dilation of the heart.

The principal witness was Dr. Paul Allyn. Members of the jury were O. H. Scribner, C. W. Deatherage, C. B. Farmer, George Bland, John Flannagan and Elmer Meacham.

GUESTS FROM SPRINGFIELD
Mr. and Mrs. Henry A. Janssen and son of Springfield drove to Jacksonville yesterday and were dinner guests at the home of Mr. and Mrs. Ensley Moore. Mr. Janssen is a member of the state civil service commission.

Circle No. 1, Brooklyn church, will hold a market Saturday at Dorwart's.

LIBRARY BOARD HELD MEETING

Members Heard Interesting Address By Miss Price of State Library Commission.

Members of the library board held a meeting Thursday night, when an address was given by Miss Anna May Price, superintendent of the Illinois library extension commission, and various matters relative to the welfare of the library were considered.

A number of applications for the position of librarian which is now vacant, were considered but no decision has been reached. The board is anxious to secure the services of a librarian who is thoroughly prepared for the work and who has had some years of experience.

Along with other interesting data Miss Price presented, she gave her suggestions as to the maintenance cost of a library, dividing the expenses in this way: salary 50 per cent, binding 5 per cent, periodicals 5 per cent, miscellaneous 2 per cent.

The board had about \$8500 funds available from taxes the past year and will have about \$10,000 the present year. Members of the board present last night included Mrs. O. F. Buffe, Mrs. M. H. Havenhill, Mrs. William Floeth, Miss Wakely, W. D. Doying, Dr. J. G. Ames and Dr. Carl E. Black. The most recently appointed members are Dr. Ames and Dr. Black.

FIFTY THREE MEN ON ILLINOIS FIELD
Coach Harmon Had that Number Out Thursday—Looks for Strong Line—Now Trying Out Back Field Candidates.

Coach William T. Harmon had fifty-three men working out on Illinois college field yesterday afternoon. The outlook at Illinois is encouraging and Coach Harmon expects to have a strong team of the hill this year.

The men are being put thru a series of workouts, the coach endeavoring to put the men in the best physical condition before doing any scrimmaging work. No scrimmaging will be done before the latter part of next week. Tackling, blocking, forward passing and setting up exercises were the features of yesterday's training.

The coach is well pleased with the prospects of a strong line, and is now looking over his squad to pick out back field men.

WOMAN'S COLLEGE SHOWS BIG ATTENDANCE INCREASE

Mention has previously been made that the registration at the Woman's college this year is the largest in the history of the institution. The figures show 276 students by comparison with 237 last year. The increased attendance at the College of Music is also gratifying.

There are 147 students registered in the freshman class. The increase in attendance gives further emphasis to the need the college has for larger quarters. The campaign to increase the endowment and provide more buildings will be pushed at no distant date.

PITTSFIELD PLANNING FOR WATER SUPPLY

In recent days H. L. Caldwell and S. L. Miller of the Caldwell Engineering Co., have been in Pittsfield to inspect sites for the proposed construction of an impounding reservoir. A number of such visits have been made, the local engineers looking over the situation in company with members of the citizens' committee.

The merits of the different locations proposed will be given full consideration and a formal report will be made at a later time.

C. OF C. DIRECTORS WILL MEET TONIGHT

A. M. Hale, of Abingdon, Ill., a vice president of the Illinois Chamber of Commerce, will meet with the directors of the local board here tonight and discuss various matters relating to the organization in this district. The directors will also have local affairs to consider.

LOOKS FAVORABLE FOR SHAW'S BILL

Indications Are That Measure Looking Toward River Improvement Will Be Favorably Reported.

WASHINGTON, D. C., Sept. 21.—Altho other hearings are to be held on Congressman Shaw's bill to improve the Illinois River indications point that it will be favorably reported by the Committee on Rivers and Harbors.

A delegation of representative citizens from the Illinois River Valley district appeared before the committee with facts and figures to show the need of the river improvements and the control of flood waters. The sincerity of their attitude, and the earnestness with which they presented their case, made a most favorable impression on the members of the committee.

Bills for the improvement of the Illinois River and for control of the flood waters had previously been introduced by Mr. Shaw. These were consolidated into one bill which he introduced Wednesday. It was referred to the Committee on Rivers and Harbors, and thru the insistence of Mr. Shaw the first hearing on the bill was held the next day. The bill now provides for the improvement of the river, for the removal of existing locks and dams, for control and regulation of water from Lake Michigan into the Illinois river, and for the control of floods of the Illinois river and its tributaries.

In addressing the committee, Mr. Garm dwelt particularly on heavy losses to Beardstown and surrounding territory because of the flood conditions which arise, and he urged the committee to give protection to every town in the Illinois River Valley district. This, he said, would be accomplished by the passage of the Shaw bill.

Mr. Goodall followed, speaking from the viewpoint of an engineer. He demonstrated that the proposed improvements were practicable and he said they should be undertaken at the earliest possible moment to insure the district against a recurrence of the destruction of last spring.

Traffic extending into millions of dollars in grain alone would be possible if the dams were removed and some dredging done, was the declaration of Mr. Gillman. He recommended a seven foot barage canal, without increasing the flow of water from the lake above the authorized amount.

That the Illinois River Valley District was a fertile country before the water was allowed to come in from the Chicago Sanitary District, was the assertion of Mr. Rousison; and he then demonstrated that the increase in water overflowed the land to such an extent that it prevented the growth of vegetation and interfered with farming.

Mr. Carlters caught the attention of the committee when he produced figures showing that millions of dollars were lost to the farmers in the drainage districts along the river.

Speaking from their experience as railroad men, Mr. Douglas and Mr. Safford explained how the flood waters interfered with traffic and what a loss was made by the railroad companies. They were urgent that immediate relief be given, so that the Illinois river valley district should be protected against floods in the future.

Circle No. 1, Brooklyn church, will hold a market Saturday at Dorwart's.

Mr. and Mrs. Edgar Decker and little daughter, Julia Elizabeth, left for St. Louis yesterday. Mrs. Decker after leaving Passavant hospital with her infant daughter, was at the home of her parents, Mr. and Mrs. Truman P. Carter.

STATE'S ATTORNEY SPOKE AT WHITE HALL

Opening Meeting of Woman's Club at White Hall Addressed by Carl E. Robinson on "The New Illinois Constitution."

White Hall, Sept. 21.—A meeting of the Woman's Club in the Presbyterian church Wednesday afternoon was addressed by Carl E. Robinson of Jacksonville, state's attorney of Morgan county, on the "New Illinois Constitution." Mr. Robinson, while not favorable to a few minor features, favors the new constitution as a whole and recommended its adoption on December 12 next at the special election for that purpose. He explained that it must be adopted as a whole by the Illinois voters, not piecemeal.

The document is the result of the third constitutional convention held in Illinois. The last constitution of 1870 has outlived its usefulness, explained Mr. Robinson, and the one now up for adoption is a much longer one, covering some 32 pages, dealing with matters not provided in the present constitution, including a revision of criminal procedure. Cook county's representation is limited in the state senate and in future constitutional conventions as a safeguard against Cook county domination of the entire state, and this is a section that will meet hearty approval over the state.

The address was received most favorably, and a much better understanding has resulted as to the duty of voters on December 12th.

Mr. Robinson is no stranger to White Hall and his words are received with confidence of the security and understanding of the speaker. The meeting was presided over by Mrs. Mont Winters, president of the organization that sponsored the timely address. A short business session was held, and there were a number of musical numbers to give variety to a most profitable afternoon program.

The Woman's club is the central organization of the local federation of woman's clubs, and its importance should not be underestimated. Wednesday's session was the opening one of the session and the church was crowded, the attendance including the clergies and history class of the high school in charge of Misses Edith Hyatt and Georgine Piper. There were three ladies from Carrollton. Mrs. H. T. Rainey, Mrs. Adrienne Boyd and sister, Miss Winn.

Committees Named

The business session resulted in the naming of committees to carry out the activities of the year.

Miss Ruth Evans is chairman of a special committee on playgrounds and amusements. It is hoped to have playgrounds established by next spring, and also to provide amusement for the young people

for at least once each week under proper chaperonage. The playgrounds proposal is a very live one in a general way, and this committee will have the backing of the community.

Another special committee is that of public health and child welfare, which is under the direction of Mrs. Lee Hanchett. It is planned to equip a loan chest for the sick and for emergency cases, and to continue the work of providing for free dental clinics and lunch for undernourished children.

Another department is that of civic improvement, which is under the direction of Miss Edith Chapman. This committee will arrange for the observance of the national movement for better homes in America, which is to be observed during the week of October 9-14. The merchants will be asked to arrange window displays of house furnishings and foods, and the various clubs will observe the week in connection with their programs at that time.

Fifteen new names were presented at this meeting, and the goal of 200 will probably be reached, according to the statement of Mrs. Minnie Winters, the president. Mrs. Mame Winters is the chairman of the membership committee.

So pleased were the ladies with the address that Attorney Robinson was invited to make a return visit and give a talk on taxation.

The delegates to the district federation meeting at Jerseyville October 5th and 6th are Mrs. Minnie Winters, Mrs. W. S. Corsa, Mrs. Nora Mason and Mrs. Mame Winters.

MANCHESTER.

C. H. Sutton and family moved Thursday to Jacksonville.

Among those who attended the Strang funeral in Murrayville Wednesday were: Mr. and Mrs. L. C. Funk, Mr. and Mrs. E. C. Chapman, Mrs. C. D. Chapman, Mrs. Herbert McConnell, Mrs. Charles Leitz, Mrs. R. C. Curtis, Mrs. J. H. Langdon, Mrs. William Arendell, Mrs. Henry Bell, Mrs. Richard Whewell, Misses Pearl Rousey and Goldie Rochester.

Mr. and Mrs. George Blivins returned Monday night from a few days visit with the formers' sister, Mrs. J. B. Horton.

Glenn and Emory Funk were

WE PAY CASH

STATE'S ATTORNEY SPOKE AT WHITE HALL

Opening Meeting of Woman's Club at White Hall Addressed by Carl E. Robinson on "The New Illinois Constitution."

White Hall, Sept. 21.—A meeting of the Woman's Club in the Presbyterian church Wednesday afternoon was addressed by Carl E. Robinson of Jacksonville, state's attorney of Morgan county, on the "New Illinois Constitution." Mr. Robinson, while not favorable to a few minor features, favors the new constitution as a whole and recommended its adoption on December 12 next at the special election for that purpose. He explained that it must be adopted as a whole by the Illinois voters, not piecemeal.

The document is the result of the third constitutional convention held in Illinois. The last constitution of 1870 has outlived its usefulness, explained Mr. Robinson, and the one now up for adoption is a much longer one, covering some 32 pages, dealing with matters not provided in the present constitution, including a revision of criminal procedure. Cook county's representation is limited in the state senate and in future constitutional conventions as a safeguard against Cook county domination of the entire state, and this is a section that will meet hearty approval over the state.

The address was received most favorably, and a much better understanding has resulted as to the duty of voters on December 12th.

Mr. Robinson is no stranger to White Hall and his words are received with confidence of the security and understanding of the speaker. The meeting was presided over by Mrs. Mont Winters, president of the organization that sponsored the timely address. A short business session was held, and there were a number of musical numbers to give variety to a most profitable afternoon program.

The Woman's club is the central organization of the local federation of woman's clubs, and its importance should not be underestimated. Wednesday's session was the opening one of the session and the church was crowded, the attendance including the clergies and history class of the high school in charge of Misses Edith Hyatt and Georgine Piper. There were three ladies from Carrollton. Mrs. H. T. Rainey, Mrs. Adrienne Boyd and sister, Miss Winn.

Committees Named

The business session resulted in the naming of committees to carry out the activities of the year.

Miss Ruth Evans is chairman of a special committee on playgrounds and amusements. It is hoped to have playgrounds established by next spring, and also to provide amusement for the young people

for at least once each week under proper chaperonage. The playgrounds proposal is a very live one in a general way, and this committee will have the backing of the community.

Another special committee is that of public health and child welfare, which is under the direction of Mrs. Lee Hanchett. It is planned to equip a loan chest for the sick and for emergency cases, and to continue the work of providing for free dental clinics and lunch for undernourished children.

Another department is that of civic improvement, which is under the direction of Miss Edith Chapman. This committee will arrange for the observance of the national movement for better homes in America, which is to be observed during the week of October 9-14. The merchants will be asked to arrange window displays of house furnishings and foods, and the various clubs will observe the week in connection with their programs at that time.

Fifteen new names were presented at this meeting, and the goal of 200 will probably be reached, according to the statement of Mrs. Minnie Winters, the president. Mrs. Mame Winters is the chairman of the membership committee.

So pleased were the ladies with the address that Attorney Robinson was invited to make a return visit and give a talk on taxation.

The delegates to the district federation meeting at Jerseyville October 5th and 6th are Mrs. Minnie Winters, Mrs. W. S. Corsa, Mrs. Nora Mason and Mrs. Mame Winters.

MANCHESTER.

C. H. Sutton and family moved Thursday to Jacksonville.

Among those who attended the Strang funeral in Murrayville Wednesday were: Mr. and Mrs. L. C. Funk, Mr. and Mrs. E. C. Chapman, Mrs. C. D. Chapman, Mrs. Herbert McConnell, Mrs. Charles Leitz, Mrs. R. C. Curtis, Mrs. J. H. Langdon, Mrs. William Arendell, Mrs. Henry Bell, Mrs. Richard Whewell, Misses Pearl Rousey and Goldie Rochester.

Mr. and Mrs. George Blivins returned Monday night from a few days visit with the formers' sister, Mrs. J. B. Horton.

Glenn and Emory Funk were

CLUBS AND SOCIETY

**Sunday School Class
Enjoys Dinner**
The College and High school
boys class of Congregational
Sunday school was tendered a din-
ner last night by their teacher, L.
S. Doane. The delightful dinner
was served at 6:30 in the Pilgrim
Memorial building of the Congre-
gational church. The following
are members of the class: Edward
Stevens, Stanley Woods, Cecil
Woods, Clare Milligan, Maurice
Turnbull, and Glenn Morgan, all
of Illinois college; and John Put-
nam, Lester Woods, Henry Irving,
Allyn Wolfe, and Edward Young,
all of the High school.
Rev. and Mrs. G. E. Stickney
and Miss Brenner of Chippawa
Fall, Wisconsin, a sister of Mrs.
Stickney, were present as guests
of Mr. Doane.

**Centenary Aid
Held Meeting.**
The Ladies Aid of Centenary
church held its regular meeting
at the church Thursday afternoon
with the president, Mrs. E. L.
Kinney presiding. The program
opened with a song, "Blest Be the
Tie That Binds." The aid voted
to hold the annual bazar and
turkey supper, December 19. A
reception for the students of the
city will be held in the church
parlors Tuesday evening, Sept.
26. Refreshments followed, the
hostesses being, Mrs. George
Moore, Mrs. Lucetta Brown,
Mrs. George Brown and Miss
Olive Hodgson.

**Northminster
Missionary Society.**
The Woman's Home and For-
eign Missionary Society at North-
minster church met Thursday af-
ternoon. There was a large at-
tendance and a very interesting
meeting. Mrs. Elizabeth Day lead
the devotional exercises and Mrs.
Nellie Timmerman was in charge
of the literary program. Mrs. So-
phia Day read a very interesting

J. F. Lawless

Winchester, Ill.
I sell efficient service in
the auction profession,
that assures satisfaction.

story on home mission work and
Mrs. Lorine Ferreira gave a talk
on Foreign work. Light refresh-
ments were served and after a
very enjoyable time the meeting
was dismissed.

**Miss Williamson
Hostess at Dinner.**
Miss Margaret Williamson was
hostess at an informal dinner
party Thursday evening at her
home on Jordan street. An attri-
bute six course dinner was served.
Later in the evening the party at-
tended the performance at the
Rialto theater. The guests in ad-
dition to the hostess were: Misses
Martha Strang, Elizabeth Boruff,
Dorothy Randle and Fay Carroll.

**Dance at Illinois
College Given.**
Students of Illinois college are
looking forward with pleasure to
a dance to be given in the gymna-
sium Saturday evening. The event
has been arranged at this
time to give the new students an
earlier opportunity for becoming
acquainted.

**Queen Esther Society
of Centenary Church Meet.**
The Queen Esther Society of
Centenary church met last even-
ing at the church. This was the
first meeting of the society since
vacation days. The program for
the coming season was discussed
after which refreshments were
served by the hostesses, Misses
Florence Bently, Luella Gadber-
ry, Eunice Haerle and Mrs.
Claude Vail. The next meeting
of the society will be the second
Tuesday in October.

**Gave Miscellaneous
Shower for Bride to Be**
The Misses Gladys and Grace
Hamilton entertained at a miscel-
laneous shower last evening in
honor of Miss Rose Lazenby, who
is soon to become the bride of Mr.
Edward Ferguson. About fifty
guests were present, all of whom
were girls from the Illinois Tele-
phone company's local office, in
which department Miss Lazenby
has been employed for the last six
years. Many useful gifts to the
bride-to-be spoke eloquently of
the esteem in which Miss Lazenby
is held by her co-workers. At a
late hour refreshments were serv-
ed and the guests departed wish-
ing Miss Lazenby every happiness
in her coming life.

The Lazenby home was taste-
fully decorated for the occasion
pink and white being the colors
used.

**Baptist Women in
Regular Session.**
The regular meeting of the
Woman's Union of First Baptist
church was held Thursday after-
noon in the church parlors. Miss
Elizabeth Laurie was chairman
of the hostesses, this group in-
cluding about twenty of the mem-
bers.
The devotional services were
in charge of Mrs. Gertrude Rich-
ardson and a review of "The Mis-
sionary" the Baptist missionary
magazine, was the main feature
of the program. Several of the
members had part in this review.

**Missionary Society
Elects Officers.**
At a meeting of the Woman's
Home Missionary Society of Grace
M. E. church held in the church
parlors Wednesday, Sept. 20th,
the following officers were
elected for the ensuing year:
President—Mrs. W. H. Cock-
ing.
First Vice President — Mrs.
James Brecken.
Second Vice President — Mrs.
H. L. Sperry.
Recording Secretary—Mrs. C.
E. Williamson.
Corresponding Secretary—Mrs.
Sidney Jones.
Treasurer—Mrs. Harry Tim-
mons.
Mite Box Secretary—Mrs. P. F.
Phipps.
Secretary Literature—Mrs. C.
F. Herald.
Secretary of Young People—
Mrs. W. E. Hall.
Assistant—Mrs. J. A. Vollrath.
Secretary Christian Steward-
ship—Mrs. W. F. Brown.
Secretary Evangelism — Mrs.
Peters.
Secretary Temperance—Mrs. J.
O. Applebee.

**Dinner Party at
Mullenix Home.**
Mr. and Mrs. Robert Mullenix
entertained about twelve of their
friends at 6 o'clock dinner Thurs-
day evening at their home, 716
West College street. The affair
was arranged in honor of Capt.
and Mrs. John Mullenix, who are
leaving today for Fort De
Molnes, Iowa, and also Mrs. Alice

Strikers' Aid

Mrs. May Peake, Denver, is
playing an important part in the

of the Machinists' Union Woman's
Auxiliary. And Bert Jewel gives
the women credit for maintaining
the strikers' morale.

Love Tangle

Unrequited love for Minerva
Stearn, dancer (above), led Lee J.
LeBlanc, New York theatrical
booking agent, to seek to end his
life by swallowing veronal, he told
police. Miss Stearn denies she has
any connection with the case. 'Le
Blanc will live.

Bullard of St. Louis, an aunt of
Captain and Mrs. Mullenix.

**S. S. Class Meets
At First Baptist Church.**
Members of Mrs. C. O. Swift's
S. S. class at First Baptist church
enjoyed a social and supper at
the church Thursday evening. A
tempting supper was served at 6
o'clock, the arrangements for this
feature being in charge of Misses
Ada Vasey, Elizabeth Long and
Edith Dawdy. Afterward several
hours were spent in talking
over plans for the work of the
coming fall and winter.

**MORE LOCAL BABIES
GET HIGH SCORES**

More scores of local babies en-
tered at the better babies confer-
ence at the state fair have been
announced. While Morgan coun-
ty babies are scoring above the av-
erage none of them have reached
the mark that entitles them to a
place in the grand awards, as a
Springfield baby holds the honor
of scoring 99.
Among new scores announced
is that of Lois Evelyn Weather-
ford, daughter of Mr. and Mrs.
Roy Weatherford of this city, who
won first prize in division 2 at
the Morgan county conference of
the Morgan county fair. The
Weatherford baby was given a
score of 93 at Springfield.
Another high scoring baby of
Morgan County is Wilma Lenore
Gaines, who was given a score of
93 at Springfield. It is interest-
ing to note that this baby, who is
now twenty-seven months old, was
given a score of 99.5 at last year's
better babies conference and
caused the grand prize money to
be split owing to a tie with her.
Other Morgan county babies
who have high scores announced
are: Charles Rogers Dikis, of
Waverly, 91.

**SLEEP WALKER AWAKES
TWO MILES DOWN ROAD**

LONDON — An extraordinary
case of sleep-walking is reported
from Fleet, Lincolnshire. A
Norfolk man was cycling thru the
country, and arriving at Holbeck
close upon midnight, was unable
to find lodging. Placing his bi-
cycle against a gate, he lay down
exhausted by the roadside and
went to sleep.
On awakening he could not find
his machine. He aroused the vil-
lage constable and learned that
he had walked to Fleet, two miles
away, in his sleep. The bicycle
was later found where he had
left it at Holbeck.

**W. C. GRANT, A. P.
MAN IS VISITOR**

W. C. Grant, representative of
The Associated Press at Spring-
field was in the city last night en
route Carrollton. Mr. Grant will
cover the hearings to be held be-
fore Judge Jones in that city to-
day in civil suits which have been
instituted by Attorney General
Brundage against former state
treasurers.

CARD OF THANKS.

We desire to express our sin-
cere thanks to neighbors and
friends during the illness and death
of my wife, Mrs. Charlie Decker,
and also for the many beautiful
flowers that were sent.
Charlie Decker and children.

R. D. Garten of Arenzville was
a caller in the city yesterday.

**MORE ROADS JOIN IN
BALTIMORE PLAN**

(By The Associated Press)
CHICAGO, Sept. 21.—John
Scott, secretary of the railway
employees department of the Am-
erican Federation of Labor today
made public a list of railroads
which he declared had agreed to
the Baltimore plan of separate
settlement of the shopmen's
strike. The roads named by Mr.
Scott follow:
Baltimore & Ohio, Chicago,
Milwaukee & St. Paul, Chicago &
Northwestern, Seaboard Air Line,
Chicago, St. Paul, Minneapolis &
Omaha, Southern, Mobile & Ohio,
Minnesota and International;
Minnesota, Dakota & Western,
Monon; Green Bay & Western,
Elgin, Joliet & Eastern, St. Paul
Bridge & Terminal Duluth, Win-
nipeg & Pacific; Louisville and
Navigation company, Macon, Dub-
lin & Savannah, New York Cen-
tral Lines and subsidiaries, ex-
cept Indiana Harbor Belt,
Buffalo and Susquehanna and
Western Pacific.
A bulletin from strike head-
quarters here today asserted the
shopmen's strike had now re-
solved itself into a lockout on
the part of the railroads but as-
serted that men formerly employed
on roads which had refused to ac-
cept the Baltimore plan would be
given work on other carriers.

**SISTER DIES
AT LONG BEACH**

W. C. Riggs of this city receiv-
ed word yesterday of the death of
a sister, Mrs. John Cramer, of
Long Beach, Cal. The news stated
that Mrs. Cramer died September
11. She was 71 years old and
previous to her residence at Long
Beach she had lived at Godfrey,
Ill., where most of her life was
spent. Besides Mr. Riggs a sister
survives, Rev. Mrs. Rose of Ver-
mont, Ill.

TO ENTER OHIO STATE

Mrs. E. G. Caldwell of 352
West College avenue has received
word from her son Frank, who
has been in the east, that he will
attend school the coming year at
the University of Ohio. The young
man was a student at Illinois Col-
lege last year.

Walter Beddingfield of Con-
cord neighborhood was a caller in
the city yesterday.

**Code of Business Ethics Is
Promulgated by Clothiers**

A code of ethics to govern not only the retail business, but also the relations be-
tween retailers and consumers, was unanimously adopted at the executive session of
the National Association of Retail Clothiers in convention in Madison Square Gar-
den Wednesday afternoon. Fred Voiland, vice president of the association, headed
the committee that drew up the code, which follows in full:

"We admit that the cornerstone of commerce is integrity; that the assets of any
commercial institution consist of honesty and business character first—and after
that, service and merchandise.

"We hold paramount the truth that advertising is a covenant with the public; that
the spoken or printed word is as binding on performance as an oath in a judicial
tribunal, as sacred as the personal pledge.

"It is our constant aim to so administer the affairs of this institution that indi-
vidual service to the consumer is not diminished or minimized by reason of volume of
trade; that interested, personal service, based on the needs and requirements of the
individual, is our first duty and chiefest task.

"Mutual exchange of confidence between buyer and seller is essential. We affirm
that the history of any article of merchandise concealed beneath trade expressions or
symbols (the feigning of which leads the buyer to form an opinion more favorable
than would obtain without such disguise) is unfair to the buyer, and therefore con-
trary to our ethics."

The above Code of Ethics has been the policy of
our store for more than fifty years.

B. & O. TRAINS

ARE DETOURED
Trains of the B. & O. from
Beardstown to Springfield were
detoured yesterday over the Burl-
ington to Jacksonville and from
Jacksonville to Springfield over
the Wabash. The detour was
made necessary by the wreck that
occurred between Beardstown
and Springfield Wednesday night.
The wreck caused considerable
loss of property and damage to
the tract. No one was injured.

W. W. Young of Literberry
made a trip to the city yesterday.

PACKING INDUSTRY FACTS PRESENTED

Representative of Wilson Company Addressed Kiwanis Club—Delegates Chosen to State Meeting.

Edward L. LaBart, representative of the packing firm of Wilson & Co., made an address at the luncheon of the Kiwanis club at the Peacock Inn Thursday. Great excitement prevailed for a few minutes at the luncheon when newsboys rushed in with a Courier Extra, setting forth in big head lines that a 500 barrel gusher had been brought in at the oil fields northeast of Jacksonville. However the oil story set forth that the gusher would be found if all the good wishes the Kiwanians have for the oil field are fulfilled. The stunt "worked" well and it was several minutes before the members dis-

covered that the gusher was a matter of the future rather than of the present.

The state convention of Kiwanis clubs is to be held in Decatur in October and delegates and alternates were chosen yesterday. They are, delegates: C. Y. Rowe, Carl E. Robinson, William Floreth, Jr., alternates: C. E. Williamson, Marcus Hulett, W. A. Berryman.

A Jacksonville young lady is to represent the local club in a picnic held at the time of the convention. This young lady will be chosen by W. A. Berryman, William Floreth, Jr., and Warfield Brown.

The guest list of the day included O. D. Chapman of Los Angeles, Rev. T. H. Tull and Cleop Bell, of this city.

Mr. LaBart presented some very interesting facts tending to show the importance and volume of the packing industry, "the largest in the world."

In the United States there are

1,395 packing establishments and the value of finished products for one year is more than four billion two hundred million by comparison with two billion eight hundred million the value of iron and steel, steel works and rolling mills.

The importance of the business was further emphasized by details relating to exports by the packers. These exports have very direct bearing upon the livestock business of the United States, and without such export the producers would receive much less price for their stock.

Still other interesting figures were presented with reference to the depression in business which came last year, the heavy losses the packers sustained thru declines in prices and the lessened consumption. Mr. LaBart gave his auditors many things to think about in emphasizing the great interest that the public has in the packing industry.

ATTEMPT TO PROHIBIT AMERICAN LOTTERIES

Shanghai—What is said to be the first effort to apply to Americans in China the American law prohibiting lotteries is being put forth in the case of B. F. Brown, who was held for trial in the United States court for China, on a charge of violating this particular statute.

The defendant formerly published the Far Eastern Times at Harbin. In connection with a scheme to increase the circulation of this publication it was alleged that Brown supplied numbered coupons with every copy distributed and then held drawings in which certain numbers won prizes to ten yen each.

Acting on a complaint, Brown was arrested by an American consular official at Harbin. When he was brought to Shanghai he was held for trial at a hearing before U. S. Commissioner N. E. O'Donnell saw the "number" sign his own bail bond in the sum of \$500 and was released.

Clyde Rousey of Murrayville found occasion to come to the city Thursday.

PAYING FOR THE HOME.

"Up to two years ago my money all went to doctors and medicine for my stomach. I was constantly filled with gas and no medicine helped me permanently until I tried a bottle of May's Wonderful Remedy at that time with excellent results. Now I am using my money in paying for a home." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

IN MEMORY OF JOHN COULTAS

Mildred Loue Coultas daughter of Mrs. Ellen Coultas, was born in Chapin, Ill., October 23, 1911. She was reared in Chapin with the exception of four winters spent in Concord, Miss. Coultas completed the course in the Chapin schools and then went to Jacksonville high school. She graduated there in June of 1920.

She was very successful as a teacher, having taught two years in Scott county. She was of a happy cheerful disposition all her life. She became ill with typhoid fever early in July, and thru the many weeks of suffering maintained her cheerful happy manner.

Miss Coultas passed away on Thursday evening at 9:20, Sept. 14, 1922, aged 20 years, 10 months and 22 days.

Funeral services were held at the Christian church on Sunday afternoon at 2 o'clock. Verla Baker, Helen Yeck, Ethel Owens, Kathleen Oehler, Dorothy Oehler, Janet Vortman, Maud White and Barbara Smith cared for the many beautiful floral offerings.

The bearers were Lucy Anderson, Paul Stone, Othella Yeck, Elmer Yeck, Austin Mody and Clifford Cowdin.

The honorary bearers were Henry Vortman, Verne Smith, Walter W. Allen, Allen, Athol Garner and French Anderson.

The services were in charge of the Rev. F. M. Crabtree. He vividly portrayed the beautiful life of this young girl and spoke words of comfort to the sorrowing friends.

A quartette consisting of Mr. and Mrs. Monte Funk, Miss Amy Onken and John Taylor, sang "Sometime You'll Understand," "Safe in the Arms of Jesus," and "Does Jesus Care." Miss Onken sang "Rock of Ages," by Remick. Friends from practically the entire country gathered to show sympathy and sorrow in the loss of this dear friend.

It was one of the largest funerals ever held in Chapin. Interment was in Concord cemetery.

John.

Oh! What do you think that the Angels say?

There's a dear young girl coming home today.

She's almost ready to fly away. Come, let us watch at the gates of Pearl.

And be ready to welcome this dear young girl.

Said the angels up in Heaven.

God wanted her where His dear ones meet.

She had grown too fair and pure and sweet.

For the earth that she had lived in.

She pined for the sunshine, this dear young girl.

That glides one side of the gates of Pearl.

Far down on the earth, do you hear them weep?

For their dear young girl who has gone to sleep.

Come, let us watch at the gates of Pearl.

For Jesus has called this dear young girl.

Oh! Why do they weep for their dear sweet girl?

Now the Lord didn't give them this darling.

Not by a hundred thousand mile. He just thought they needed sunshine.

So He loaned her for a while. And He let them love and keep her.

Till their hearts were bigger grown.

And these silver tears you're shedding.

Are just the interest on the loan.

See, see, she is coming. Look there—Look there.

At the Jasper light on her beautiful hair.

Oh! Hush! Hush! For the Lord Himself at the gates of Pearl is taking the hand of this dear sweet girl.

And leading her into Heaven.

You will find in our millinery department the largest showings of fall hats at lowest prices in this city.

FLORETH CO.

BURGESS IS WINNER IN GOLF TOURNAMENT

Local golfers are interested in knowing that Frank Burgess formerly resident here, recently won the golf championship of Champaign county. The fact was made known in a clipping from a Champaign paper received by F. E. Farrell, president of the local Golf association.

The paper referring to the championship match said: The Champaign paper says of the championship match there: Frank Burgess of Urbana won the club championship of the Champaign County Golf club, defeating Will Percival of Champaign, runner up, by a margin of four holes, with three to play. It was a 36-hole match, 18 being played in the morning, when Burgess was one up, and the balance in the afternoon. A gallery of several hundred followed the contenders and were amply repaid by seeing the classic golf witnessed on the local grounds for several years.

BACK FROM MADERIA

After an absence of nearly three months, A. F. Sardinha has returned to Jacksonville. Mr. Sardinha spent a number of weeks in the Island of Madiera with his mother, whom he had not visited for more than 30 years. Naturally Mr. Sardinha greatly enjoyed again visiting the home of his boyhood and in meeting his relatives and long time friends.

The long journey was rather uneventful but the Jacksonville man returned greatly benefitted by the trip.

LOCAL RESIDENTS HAD NARROW ESCAPE

Mr. and Mrs. A. R. Taylor met with an accident Thursday morning while enroute to the state fair which might have had very serious consequences. When about three miles east of the city the steering gear on their car refused to work and the car swerved sharply to the side of the road. One of the front wheels was entirely demolished and other damage to the car resulted. Mr. and Mrs. Taylor were considerably shaken up but were otherwise uninjured. The fact that they were traveling at a very moderate rate of speed probably accounts for the fact that they escaped serious injury.

AUTOMOBILE BACKS INTO STORE FRONT

Thursday evening about 10:15 o'clock Jesse Carter created some excitement in East Court street when an automobile he was driving backed into a large plate glass window in the Andre & Andre storage building.

Carter, evidently an inexperienced driver, started to back the car and he shouted "Whoa" repeatedly he forgot to take his foot off the juice and the car wouldn't obey orders. The result was that the glass was demolished. Carter was taken to the police station but later released. G. B. Andre was notified and had workmen board up the window.

ALEXANDER

Mrs. Mary Zeller and daughters Rose and Elizabeth of Springfield spent Thursday in Alexander.

Among those who attended the state fair Thursday were Mr. and Mrs. Lester Brecken and family, Mr. and Mrs. Asia Dooley, George Colwell, John Hannibal Dixon.

Miss Rachel Hall is spending a few days with relatives in Springfield.

Miss Josephine Ruble is a Springfield visitor this week.

John Wiegand and Edward Ludwig are business visitors in Mercedia.

WILL FILED FOR RECORD.

In the office of County Clerk Riggs the will of the late Ira Grimes of Waverly has been filed for probate. Nephews and nieces and a cousin of the deceased are given bequests of \$50 each. All the remainder of the estate is bequeathed to Mrs. Marian B. Grimes, wife of the deceased who is named executrix to serve without bond. The will was made September 8, 1922, with A. C. Moffet and George Kimber as witnesses to the signature.

LONG TIME RESIDENT
OF LITERBERRY DIES

Mrs. C. P. Henderson Passed Away Thursday Afternoon After Long Period of Illness—Funeral to Be Held Sunday Afternoon.

The death of Mrs. C. P. Henderson occurred at 1:45 o'clock Thursday afternoon at the family home two miles west of Literberry. The death of Mrs. Henderson was not unexpected, as she had been critically ill for the past two weeks and had been in ill health for a much longer period.

Mary F. Henderson was born near Bowen, Hancock county, January 23, 1854. She was the daughter of Allen and Elvira Sykes and was the third of six daughters. Four of these preceded her in death while the fifth, Mrs. S. E. Knight, is residing in Charleston, Illinois.

She was united in marriage December 25, 1873, to C. P. Henderson at Bowen, Illinois, after which they came to Literberry to the latter's farm where they have continuously lived since. Mrs. Henderson leaves three children, all of this city, E. E. Henderson, of 414 North Fayette street; E. J. Henderson, of 1016 South Clay avenue, and Mrs. H. L. Hutches of 717 East State street; also five grandchildren, Mrs. R. C. Hufford, Clifford and Ivalet Henderson, Bernita and Eloise Hutches, and one great grandchild, Bettie C. Hufford.

She was united years ago with the M. P. church at Arcadia and remained with them until some fifteen years ago when she transferred her membership to the Literberry Christian church, where she had been a faithful member until the time of her death.

Funeral services will be held at the Literberry Christian church Sunday at 2 p. m. Interment will be in Arcadia cemetery.

CONSERVATOR'S SALE

Farm lands, city residences and vacant property, south door of Court House, Jacksonville, Ill., SATURDAY, Sept. 23, 2 p. m. Nine pieces of property to be sold. If interested, be on hand promptly. For details see E. P. Brockhouse, Conservator of John Cherry estate, 232 1/2 West State St.

W. C. T. U. INSTITUTE
IS WELL ATTENDED

Interesting Program is Carried Out During The Day—Round Table Discussion.

The all day session of the Morgan County W. C. T. U. was attended by a number of persons who were interested in the enforcement of prohibition. The session was opened by the President Mrs. Eva Hyde. Miss Mattie Trapp lead the devotional services and Mrs. W. H. Weatherford read the minutes. Mrs. Charlotte Gray gave the greetings to the members and friends and this was responded to by Mrs. Hattie Pond of Meredosia.

After the president's report and other reports of committees a round table discussion lead by Mrs. Lottia Berger on the subject "What can we do to help enforce the law."

The entire program was carried out as was reported in the Journal of yesterday and the various members and committees and those who attended expressed themselves greatly benefitted by the session.

FRANKLIN PEOPLE HAD
BURGOO PICNIC LAST NIGHT

About twenty-five or thirty residents of Franklin enjoyed a burgoo picnic Thursday evening at the Outing club grounds. The picnicers went to the park in the late afternoon and enjoyed a sumptuous burgoo supper, including burgoo soup and a plentiful supply of other eatables. This is one of a series of social events which this particular group of people has enjoyed during the summer months.

PARK BOARD HELD
REGULAR MEETING

Matters of Minor Importance Are Considered—Will Establish Nursery in Mauvaisterre Park.

The Park Board met last evening in regular session with all members present and President Nichols in the chair. All bills on file approved and ordered paid. It was reported that water had been turned into the new swimming pool and all appeared well.

The committee on children's swimming pool reported progress and was ordered to go ahead with investigations. It was decided to proceed at once to secure plans and specifications for a bath house with basement to be used as storage and other purposes.

Superintendent Hopper reported some very good work was in progress in replacing the wooden couesway with brick that was being obtained for the purpose from repairs being made on College avenue pavement and other important work.

It was decided to establish a nursery in Mauvaisterre Park for the growing of shrubbery and needed trees. The secretary and Mrs. Wehl were made a committee to investigate the water bills.

RECEIVE MORE FACTS
ABOUT AUTO ACCIDENT

Mention has already been made of the fact that Robert Shoemaker was injured in an auto accident at Peoria Saturday night. A letter received yesterday by Mr. and Mrs. R. Shoemaker of this city, parents of the young man, gives further particulars of the accident.

In company with two young women Mr. Shoemaker was hastening to catch an interurban car, and noting the approach of an automobile they drew to one side to allow it to pass. The driver of the car evidently became confused and steered directly into them. Mr. Shoemaker and one of the young women were thrown to the ground, the car also striking the other young woman but with less force.

The injuries resulting were such that all three were taken to the hospital but Mr. Shoemaker expects to be able to return to his home here the latter part of the week. His many local friends will be glad to know that his injuries are not regarded as serious.

Chicken fry, Ladies Aid society, Lynnville M. E. church, Sept. 27, begins at 5 P. M.

FORMER GREENE COUNTY
RESIDENT DIES IN KANSAS

White Hall, Sept. 1.—Frank Gurley, a former pioneer resident of Greene county, died at Glen Elder, Kansas, at 4:30 p. m. Tuesday, according to advices received Tuesday night by relatives in the Patterson neighborhood, where Mr. Gurley resided before leaving for Kansas many years ago. He was over 80 years of age. He resided with his daughter at Glen Elder. The burial was at Glen Elder Thursday.

FORECLOSURE SUIT

In the circuit court yesterday a foreclosure suit was filed by J. B. Lombard against Fred Behl. The suit shows an original indebtedness of \$1,500 and interest has accrued. A mortgage was given on property in Waverly to secure the original loan. E. Etter is the attorney for the complainant.

TO RE-ORGANIZE HI-Y CLUB

A number of the members of the last year's Hi-Y club met yesterday with Secretary J. S. Findley of the Y. M. C. A. to talk about this year's organization. It is the expectation that the first meeting of the club will be held early in the coming week. Indications point to even a larger attendance than last year.

Buy your fall hat at Floreth's. You surely will save money.

NEW INSURANCE
AGENCY ANNOUNCED

D. H. Koeppel and L. B. Turner Associated in Business Just Established—Offices on West Side Square.

A new insurance firm, the Koeppel-Turner agency, just established, will make a specialty of casualty insurance and will represent a number of old line reliable companies.

Dr. G. H. Koeppel and L. B. Turner are the partners in this new concern, which will have offices at 17 1-2 West Side Square, above the Frank Byrns store. The business is entirely separate and has no connection with the Koeppel insurance agency, with offices in the Hockenull building on East State street.

Dr. Koeppel is thoroly versed in various lines of insurance and has developed an extensive business. Mr. Turner has for more than two years been doing successful work as a special representative of the Hartford Co., in Illinois, Michigan and Wisconsin. As indicated, both members of the firm are thoroly experienced and will no doubt build up a satisfactory volume of business along the line in which they propose to specialize.

AUTO FREIGHT LINE
CASE GIVEN HEARING

Jacksonville - Springfield Transportation Co., Application for Permit Taken Under Advice.

The application of the Jacksonville-Springfield Transportation Co., for a certificate of convenience and necessity was considered by the Illinois commerce commission yesterday. This company was established some time ago by the Messrs. Houston et al, for the haulage of freight between this city and Springfield.

Carl E. Robinson appeared on behalf of the company and presented the arguments for the approval of the application. Attorneys for the Wabash Railroad Co. made objections to the issuance of the certificate. These objections were presented on the ground that the business of the Wabash railroad would suffer and that the present service as provided by the railroad is adequate, and that the company having paid for and holding its right of way and rails, is entitled to protection.

The point was made that the Transportation company purposes to use trucks on hard roads which have been paid for from general taxation.

Mr. Robinson in his argument emphasized the superior service which would be afforded by the transportation line. The company holding freight from the shipper to the place of business of the consignee. This plan avoids the necessity of having freight hauled to and from freight houses. The speed of the proposed service was also emphasized. The board took the matter under advisement.

MATRIMONY

Shirz-Sutton.

Miss Ella Sutton of Kilbourne and Mr. Charles Shirz of this city were married Tuesday morning at St. Patrick's church in Havana by the Rev. Father Cahill.

They were attended by Miss Agnes Flood and Nichols Shirz. Both the bride and bridesmaid were very becomingly dressed in brown canton crepe with hats to match and wore corsage bouquets of Ward roses.

After the ceremony a wedding breakfast was served to the immediate relatives at the home of the bride's parents in Kilbourne.

After a short wedding trip the young couple will be at home east of the city to their many friends.

Burnett-Davenport.

Miss Alberta Davenport of the Pisgah neighborhood and Ellsworth Burnett of the same locality, were married Wednesday in Springfield at the office of the Sangamon county judge, J. B. Weaver. The contracting parties were unattended and had not announced their intentions to any of their friends and the news of their marriage was somewhat of a surprise.

Mrs. Burnett is the daughter of Daniel Davenport of Pisgah. She has been keeping house for her father for several years. She has a large number of friends who will wish her years of happiness in her new life. Mr. Burnett is well known in his community. They will live on a farm in the Pisgah vicinity.

ILLINOIS CENTRAL

John H. Lord of the passenger department of the Illinois Central railroad was in the city yesterday to confer with officials of the American Legion post relative to a special Pullman for the local members of the post who are going to New Orleans next month to attend the national convention to be held there. To date the number who will go and the route of travel has not been determined.

SCOUT MEETS TONIGHT

Troop 7 of the Boy Scouts will meet this evening at Grace M. E. church. This is the first meeting of this group of scouts since vacation days and a full attendance is desired.

KNIGHTS OF PYTHIAS

At the meeting of Favorite Lodge No. 376, Knights of Pythias, held last night, Dale Walker was given the rank of esquire. There was a large attendance of members present.

AWAIT FLUX OIL
FOR ASPHALT PAVING

Standard Company Will Begin Laying Asphalt as Soon as Oil Is Received—Soon to Begin Putting in Concrete Foundation on College Avenue.

The laying of asphalt has not begun on Jacksonville streets because the Standard Paving Co., has not received the flux oil that is necessary for the work. Mr. Thatcher of the Standard Paving Co., who is directing the Jacksonville work, said yesterday that the flux had been shipped and its arrival is expected at any time.

As soon as this material is received and the mixing machinery put into operation the asphalt workers will come from Chicago. It is necessary to use workers with experience for this part of the paving operations. All other materials needed for the finishing of the streets where the concrete foundation has been laid are on hand and there will be no delay in the work after the flux is received.

Jordan Street First.

It is Mr. Thatcher's intention to spread the asphalt course on Jordan street first and the work there will occupy about three days. West State street will be the next in order, where another two or three days will complete the task. Then the asphalt gang will be taken to East State street and four or five days will be necessary for spreading the two courses.

In applying the asphalt only expert workmen will be used, as long experience in the mixing and spreading of the asphalt is necessary and a skilled workman is also required for the operation of the roller which is used at the time the asphalt is applied.

Work is being pushed on Webster avenue and the College avenue pavement as rapidly as possible. The curb and gutter gang is busy and other workmen are engaged in removing the old brick and stone curbing. Some of the brick in the upper course are in good condition and in addition a great many bats are found. The lower course of brick will not be moved as it will strengthen the foundation. These brick are laid flat and imbedded in cinders, and form an excellent base for the concrete foundation.

For a distance near the west end of the pavement the lower course will be removed, but this is being done under the direction of Engineer Henderson in order to do away with the bulge which shows in the old pavement.

Most Materials Here.

Owing to the foresight used by Mr. Thatcher in the shipping of materials, everything necessary for the College avenue pavement is on hand except a sufficient amount of gravel or crushed stone for the foundation. It was not practical to ship this in prior to the beginning of the work and it has not been possible since because of the interstate commerce commission order requiring that all open top cars shall be used in coal service.

It is occasionally possible to get one of these cars, but the number which can be secured is not nearly sufficient to bring the rock and gravel in the needed quantities. However enough of this foundation material is on hand to make it possible to begin laying the foundation, and it is now Mr. Thatcher's intention to start on this work Tuesday or Wednesday of the coming week.

Meanwhile court officials, road contractors and others in a great many communities are making a strenuous effort to have the interstate commerce commission ruling revised so that at least some open cars can be used in the transportation of the paving work materials that are so greatly needed. Unless some such order is made a great many contractors face serious losses, for they have purchased their other materials and have them in readiness for the paving work, but this work cannot proceed unless the materials for the base are secured.

If shipments are withheld long it will mean that a great many paving operations must be delayed into next year, whereas the contractors were expecting to complete them before the winter of 1922-23.

Just come in and see our new Fall Hats. You will be surprised at the styles and low prices.

FLORETH'S

DRIVING PILES IN ARNOLD SUBWAY

Yesterday afternoon W. E. Sullivan, president of the Morgan Good Roads association, was very interested in finding that the Wabash railroad workers are driving the piles for the subway east of Arnold. This work was begun two or three weeks ago but was stopped because of a break down of machinery. Now work has been resumed and twenty piles out of forty-eight have been driven. The expectation is that the subway will be open to traffic before the year closes.

DETOUR SIGNS PLACED

Detour signs were placed on the Pike's Peak Ocean to Ocean highway east of Jacksonville yesterday by T. M. Tomlinson and Samuel Armstrong. Today Mr. Armstrong will begin removing the markings of the detour north from Arnold and will place the markings north from Alexander to the state road.

Eventually when the hard road has been opened all the way from Jacksonville to Springfield, the trail will no doubt be changed so that it will follow the hard road.

Mrs. Walter Jones of Murrayville was a visitor to the city yesterday.

HOLLANDERS DEBATE ON AGE OF NEW YORK CITY

Bring to Light Letter That it is Claimed Will Show That the 300th Anniversary is in 1926 Instead of 1924.

NEW YORK, Sept. 21.—Out of the archives of 300 years ago Hollanders have brought to light a letter with which the Netherlands Chamber of Commerce strengthens a claim that the celebration of the 300th anniversary of the founding of New Amsterdam, now New York, should be in 1926, rather than in 1924, as tentative plans announced.

Here is the letter, with its quaint and brief description of the spot where now 6,000,000 persons live; where the assessed valuation is \$6,000,000,000 or \$250,000 an acre; where the exports are 100,000 times those of the year of its founding: "Recep. 7 November, 1926.

High and Mighty Sirs: Here arrived yesterday the ship The Arms of Amsterdam which sailed from New Netherland out of the Mauritius River (the Hudson) on September 23; they report that our people there are healthy and live peacefully. Their women also have borne children there; they have bought the island Manhattes from the wild men for the value of 60 guilders, is 11,000 morgens in extent. They sowed all their grain in the middle of May and harvested it in the middle of August. Thereof being samples of summer grain, such as wheat, rye, barley, oats, buckwheat, canary seed, small beans and flax. The cargo of the aforesaid ship is:

7246 Beaver Skins.
178 1-2 Otter Skins.
675 Otter Skins.
48 Mink Skins.
26 Cat Skins.
33 Mink Skins.
34 Rat Skins.
Many Logs and Oak and Nut Wood.

Herewith High and Mighty Sirs be ye commended to the Almighty's Grace in Amsterdam Nov. 5, Anno 1626.

Your High Mightinesses' Obedient,

P. SCHAGEN."

The 60 guilders mentioned, at the present rate of exchange, amount to the \$24 price of Manhattan known to every schoolboy; the "Mauritius River" is the Hudson, from whose waters, by the way, a giant air cruiser recently took flight for Brazil—the glorified descendant, 300 years apart, of the little ship that carried "Otter Skins, Rat Skins, and Many Logs of Oak and Nut Wood."

L. Witter Van Hoogland, secretary of the Netherlands Chamber of Commerce in New York, points out in recommending 1926 as the year for the tercentenary celebration, that the earlier settlers, contrary to the belief of historians of years ago, probably settled in Fort Orange, now the city of Albany, while Manhattan remained a trading post until a group landed there as settlers in 1626.

LISTEN

At this time of the year one's thoughts naturally turn to home made candy, hot chili, hot chocolate, and dainty lunches, both hot and cold.

We have anticipated your desires along these lines and now have ready for you all of the above, together with fresh pan caramels, pecan caramel roll, pecan roll, and "Mexicon penochi." This is the item that caused the "furore" among the candy lovers of our city last fall and winter. Only at MERRIGAN'S

Finish Fight on Ku Klux Is Plan of Unity League

PATRICK H. O'DONNELL.

CHICAGO—Battle plans for a finish fight with adherents of the Ku Klux Klan will be formulated here some time during next month, when a national convention of delegates to the American Unity League is scheduled to meet and map out a plan of campaign.

This is announced by Patrick H. O'Donnell, Chicago attorney, and chairman of the league which has as its motto: "Freedom for all—political equality—down with the Ku Klux."

O'Donnell's organization has established active headquarters and is now directing the work of agents scattered throughout the country where ever the Klan has succeeded in gaining a foothold. "This is to be a real fight," he promises. "It will not end with a lot of talk and wonderful promises."

Will Fight in Open and Not Resort to Force.

"We're out to lick the Ku Klux and forever disperse them. We shall not resort to force, and all our actions will be far more upon and above board than that of Klan followers, who have not the courage to parade openly."

reunion at the home of Ed Dobson Sunday.

Mr. and Mrs. James O'Brien were Sunday guests of Mr. and Mrs. Dick McNeely.

Oliver Phillips and Sam DeFrates of Ceres cut corn for William Hart Monday.

STEEL AIRPLANES WEIGH LESS THAN WOODEN ONES

London.—Great Britain possesses an all-steel bombing airplane, a distinct departure in aerial construction. Except for its canvas wings the entire machine is built of steel. Nevertheless, it is 4 per cent lighter than a wooden airplane of the same dimensions.

The claim is made that this machine shows a great advance over German airplanes constructed of aluminum alloy, which is said to lack the strength of British steel. It is equipped with two Napier 1,000 horsepower engines. Although designed as a fast long distance bomber, it is said to be as easy to maneuver as a little fighting scout. This is because of its steel construction, which permits the grouping of all weights.

Advantages claimed for all steel airplanes are greater strength, increased load carrying capacity, ease of manufacturing in large numbers, and the fact that they are less vulnerable to bullets and shrapnel while flying, and also that they are virtually fireproof.

CONSERVATOR'S SALE. Farm lands, city residences and vacant property, south door of Court House, Jacksonville, Ill., SATURDAY, Sept. 23, 2 p. m. Nine pieces of property to be sold.

If interested, be on hand promptly. For details see E. P. Brockhouse, Conservator of John Cherry estate, 232½ West State St.

Our main plan of attack will be along political lines. We intend proving that the Klan seeks to foment hatred and suppress those inalienable rights guaranteed by the constitution.

"We have plenty of money with which to produce and our agents working in the west report that hundreds of sympathetic organizations are planning to send representatives to the demonstration in Chicago next month which will be one of the biggest spectacles ever seen."

In addition to its political maneuvers against the Ku Klux, O'Donnell says the league will also maintain a weekly newspaper to distribute literature against the organization to league members all over the country and to public officials as well.

See 20 Million Americans Lined Up.

"Political activities of the Klan, particularly in Texas; the increasing menace of its intolerant attitude, development of its economic boycott, are among the reasons why we are fighting to wipe it off the map."

"And by the time we're thru there'll be 20 million Americans lined up in the fight against the Klan."

ISSUES WARNING TO AMERICAN LEGION

Says Political Taint Will Mean Suicide—Says Members Must Watch Closely to Prevent This.

Bloomington, Ill.—By The A. P. Warning of "political taints" as "suicide" for the American Legion was voiced by Department Adjutant William Q. Setliffe, at state headquarters here, upon receipt of word from one post of the tendency of some of its members to mix politics with the campaign that will end November 7, when Illinois voters decide on the \$55,000,000 bond issue for an Illinois bonus.

"I have mentioned the possibility of a big-city post getting the political taint," Mr. Setliffe said, "it won't if it watches itself, and it will if it doesn't. I have met legionnaires who considered the Legion practically immune from this malady in the big city because it was less likely to be personally acquainted with politicians and candidates. The political menace is greater, they reasoned, in a small town where the candidates are known to the Legion by their first names."

"But in the cities political organization is so well-nigh perfect that its workings are seldom seen by the average citizen. It is there, just the same, and along with it is bitter factional war that is continually trying to involve every element of the community on one side or the other. You may be sure that these factions are not blind to the value of Legion support, and you may be just as sure that they realize that the Legion, once it had served their purposes, could and would die a natural death. That is, you can call it a natural death if you want to. I should call it suicide."

"When a post mixes in politics it does so, I believe, in fulfillment of the old adage that 'Satan finds some mischief still for idle hands to do.' The hard working post not only has no inclination to enter politics—it has no time to do it. It is so wrapped up in its task of service and is getting so much fun out of doing it that nothing else gets in."

Call Reid's Taxi for first class service, successor to late A. J. Patrick. We have conservative closed cars for dances, parties, etc. Same phone, 1744.

See the New Hope Chests
\$13.50

We have a large variety of hope chests beautifully made in genuine Tennessee red cedar. This is one type of home furniture that possesses a degree of sentiment which should prompt the purchase of only a high grade model. That's why you will be very interested in this showing. All chests have natural hand rubbed finish, and are equipped with locks.

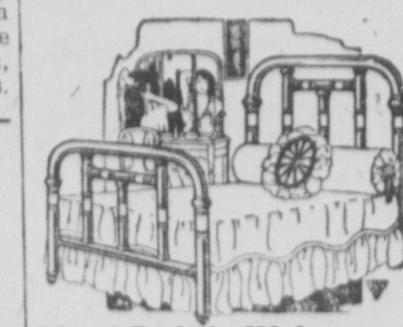

Sale of Dining Chairs
Six for \$18.00

All new fall patterns included and I have them in all finishes from \$18.00 per set and up.

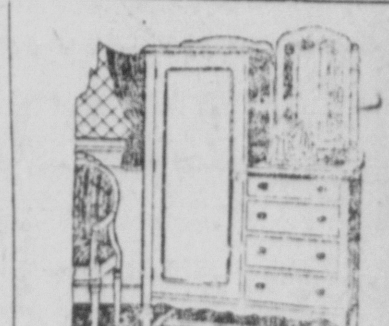

Dresser Bargains, \$27.50

It has been many a year since we could offer such splendid dresser values as these! They are large in size with a big plate glass mirror and four large drawers as pictured.

Metal Beds in Walnut and Mahogany, \$12.00

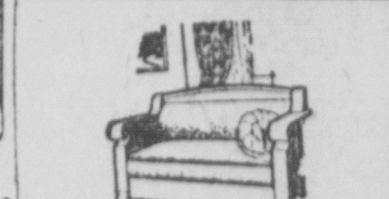

You will be amazed to find such a wide range of different patterns in metal beds in the beautiful new walnut and mahogany finishes. They harmonize so perfectly with the bedroom furniture you now have that it is no wonder they are gaining popularity among the more discriminating homes. These beds are full size, exceptionally well made and extraordinary values at this low price.

Chiffrones

We want to clear out every one of these odd chiffrones in just a busy day or two. Consequently we've cut the price on them to rock bottom levels. Below are a few of the many extraordinary values—

Chiffrones\$32.50
Chiffrones\$37.50

Place an Extra Bedroom in Your Home for

Only \$47.50

These are days when every home is economizing in space and a bed davenport solves the problem. By day it serves as a davenport and at night can be extended into a full size bed, with a single, simple motion.

ECONOMY in REPAIRS

You pay more when you shop around for small repairs.

Why?

It's just like when you go to a competent physician. He has to first make a complete examination of all your working parts to get a thorough knowledge of the general condition.

You must help us even out our peak load.

Why?

If we carry force enough to give every customer prompt service for two hours during the 24 you have to pay for the extra idle time.

Try to concentrate all your work and give as much range of time possible for each job.

We are trying to solve the problem of economical repairs.

Are you with us on this?

We need your help and co-operation.

SECRETS? Girl Diplomat Keeps them in family

MISS NADEJDA A. STANCIOFF.

LONDON—This introduces the newest feminine phenomenon—a woman diplomat.

Yes, a diplomat. And the modern definition of "diplomat" is "one who knows how to keep a secret."

Miss Nadejda Stancioff knows how. She proved it during the last 11 years as secretary to her father as Bulgarian secretary or minister at Bucharest, Vienna, Petrograd, Paris and Rome, and lately as minister to London.

This 7 year old girl is going to America. She has just been appointed first secretary of the Bulgarian legation at Washington.

Maybe these words of hers explain the why of it:

"I am proud that a woman has been chosen for this Washington post, because in Bulgaria there is very close co-operation between men and women; a man is not ashamed to help the woman do the house work, and a woman helps the man in his business and political career."

Miss Stancioff is a tall, good

looking, graceful girl with dark eyes and pale face. She speaks English fluently. Besides her native Bulgarian, she also speaks German, French Italian and Russian.

"America and Great Britain have women in congress and parliament," she said. "So why not a woman in the diplomatic corps?"

"I love the work, the service to my country. And what advancement I have gained I owe to my training with my father and friendship with the Bulgarian minister."

Miss Stancioff has served as secretary to the premier and was his interpreter during the third assembly of the league of nations at Geneva.

"Being with my father in diplomatic work has been a good thing," she said, "because we have kept diplomatic secrets in the family. I feel like a veteran now and I am looking forward eagerly to my work in Washington."

Big shipment just received of "What We Hear in Music."—J. Bart Johnson.

Motor Trucks Extend Food Supply Radius 50 Miles

HERBERT HOOVER says: "The motor truck has given every town an extended radius of food supply by some 50 miles and thereby protects such vital matters as milk and perishables."

Formerly 10 miles was as far as the farmer could profitably haul his produce. The increasing number of motor trucks on the farm is making the farmer more and more independent of other forms of transportation. It is extending a primary market five times, giving the farmer greater security and doing much to insure him the full profit from his crops and produce.

E. E. La Schum, Superintendent of Equipment of the American Railway Express Company, says that while the average mileage of trucks is about 40 miles per day, they are capable of making 100 miles without undue strain.

This means that in every truck there are unused daily transportation miles, which can be used when emergency calls.

The farmers of the 10 states served by the Standard Oil Company (Indiana) own 46,582 trucks. These represent unused, potential transportation of 2,794,920 miles per day—quite enough to make the farmer feel reasonably independent and to make the city dweller secure.

The value of these trucks to their owners, and to the community, depends upon an ample supply of gasoline and oils, instantly available when needed.

The Standard Oil Company (Indiana), recognizing its duty to the public, has organized its distributing facilities to a point where only a complete breakdown of public utilities can prevent its supplying these trucks with oil and gasoline needed, no matter in what corner of the 10 states they may be.

In the cycle of service to which the Standard Oil Company (Indiana) is committed, the truck plays just as important a part as the automobile and the tractor.

This entire organization is working as one man to perfect a complete service, and to maintain this service at such a maximum of efficiency that no piece of automotive machinery in the Middle West need ever be delayed a single moment of usefulness through lack of suitable petroleum products.

OAK HILL

The annual reunion of the Dobson family was held at the home of Edward Dobson Sunday.

At the noon hour a bountiful dinner was served and the hours following in the usual social way. The children are: James, Edward, and John of Murrayville; William of Jacksonville and Richard and Mrs. Samuel T. Wild of near Winchester. Since the last meeting Walter has passed away.

Mr. and Mrs. S. Arthur Shaw and little son of San Antonio, Tex., have returned home after a visit at the home of Mrs. Shaw's parent's J. D. Lawless and family.

John Koyné of the State hospital has been visiting home folks. Miss Grace Clark is visiting her aunt, Mrs. J. W. Simpkins of Buckhorn and will attend the State Fair with them.

Mr. and Mrs. James Vasconcellos of Chicago were recent visitors at the home of her sister, Mrs. William White.

Mr. and Mrs. J. D. Lawless entertained in honor of Mr. and Mrs. Arthur Shaw of San Antonio, Tex. Wednesday night. Delicious refreshments were served during the evening. Mr. Shaw is a Red Cross worker in the Lone Star state.

ELM GROVE

Elm Grove, Sept. 19—Mrs. Will Ransom spent Wednesday afternoon at the home of her parents, Mr. and Mrs. C. W. Potter.

Walter Fearneyhough and family visited with Will Scholfield and family Sunday.

Jim Lazenby and Miss Ruby Watt spent Friday evening at the home of C. E. Hamel and family.

Mrs. Ruth Koyné of Jackson-

ville visited with Mrs. Cora Ragan last week.

Charley Lear spent the past week with Mr. and Mrs. Theodore Angelo.

Mrs. E. L. Hamel and family were Jacksonville callers Monday.

Mr. and Mrs. Fred Scholfield spent several days last week at Waverly.

NEWS OF THE SPORT WORLD

CUBS AND PHILLIES SPLIT DOUBLE HEADER

Keene Former Philadelphia Sand Lotter Beats Phils in First—Hubbell Turned Cubs Back in Second.

PHILADELPHIA, Sept. 21.—Chicago and Philadelphia divided a double header today, the visitors winning the first 8 to 6 and the locals the second 4 to 2. Victor Keene, a former Philadelphia sand lot pitcher, hurled the Cubs to victory in the first game. Hubbell's masterful pitching and bunched hits the first three in-

nings of Kaufmann made the Philadelphia victory possible in the second. Walker made six straight hits during the two games.

BROWNS FINALLY
BEAT WASHINGTON
Won First Game in Last Four
Played—Do Not Advance in
Race as Yanks Also Won.

ST. LOUIS, Mo., Sept. 21.—St. Louis which mathematically stands a slight but very improbable chance of winning the pennant won its first game in the last four played today, by defeating Washington 7 to 6. The victory, however, does not advance the locals any in the pennant race, as New York also won. Washington rallied in the seventh inning five times and once again in the ninth but could not tie the score. Jacobson made four hits including a homer and triple. St. Louis was still out of the game with its injured shoulder.

BOSTON EASILY WON
FROM CLEVELAND
Cleveland, O., Sept. 21.—Boston defeated Cleveland 15 to 5 in the final game of the series here today. Quinn held the Cleveland team safe at all times and helped win his own game by hitting a home run. After Boston had taken a big lead Manager Speaker sent in his entire recruit forces and the game developed into a farce. The score:

Club— R H E
Cincinnati . . . 002 000 000-2 5 0
Boston 100 300 10x-5 5 0
Luque and Hargrave; Watson and O'Neill.

Second Game
Club— R H E
Cincinnati . . . 002 000 000-2 5 0
Boston 100 300 10x-5 5 0
Luque and Hargrave; Watson and O'Neill.

"WHEELER" DELL IN
NO HIT NO RUN GAME
Los Angeles, Calif., Sept. 21.—"Wheeler" Dell of the Vernon Club of the Pacific Coast Baseball League pitched a no-hit, no run game today against Oakland. The score was 7 to 0. The Oakland batters received two bases on balls.

Read The Journal.

Collins "Sizes Up" Browns, Yanks

This is the second of seven articles written for the Journal by Eddie Collins of the Chicago White Sox. Collins has played in more world series games than any other major league player.

By EDDIE COLLINS
World's Greatest Second Baseman
HE Yanks or the Browns? What a strange contrast they present.

When you go out to see the Yanks play, you expect to see them hit—that's their middle name.

And if they don't hit, the result is invariably disappointing from a New York point of view.

No man in the history of baseball has done more to revolutionize the game and make it now a game of swat than Babe Ruth.

It's only natural that the style of play of the Yanks should be likewise. And furthermore, why shouldn't they hit with such individuality as Ruth, Meusel, Pipp, Schang and the rest in their lineup, rather than stick to the old conventional formula of sacrifice or steal?

I know any time any one of the above mentioned sacrificed against the White Sox we are tickled to death, and if we thought we could influence the Babe into dropping down a bunt occasionally we'd instruct our third baseman to play out in left field.

In about two times out of five their slam-bang type of base ball goes astray and it looks like runs thrown away, but on the other hand, three times it succeeds. That's 600 per cent, and that's just their present mark in games won and lost.

Taken individually it's a mystery to me why the Yanks are not out in front a mile.

Strong at Third
Dugan at third, although acquired late in the season, is as good as the American League can sport. Scott at short, for steadiness, range, brains and nerve, can't be beaten. There are better hitters, but few more dangerous in a pinch. Ward is a most capable second baseman, whose true worth is appreciated more by his teammates than by random-at-large, which is also true of Wallie Pipp at first.

This fellow Pipp has played wonderful ball this year, both at bat and field, and I think he's one of the most underrated ball-players of today.

While Ruth and Meusel are not the best outfielders in baseball, their offensive ability more than atones for any discrepancies they may have on the defense.

In the battery department the Yanks are unquestionably better fortified than any team in baseball. Bush and Schang is a combination pretty hard to beat. Shawkey is enjoying one of his best years, and Sam Jones, I am confident, if given a crack at a world series game, would be an awful bird to beat.

The Browns, on the contrary, Tomorrow—How It Feels to Be in a World Series.

HENRY DIRECT IS
DEFEATED BY ABDEDALE
COLUMBUS, Ohio, Sept. 21.—Defeat of Henry Direct, strong favorite in the Southern Hotel \$3,000 stake for 2:11 pacers featured today's Grand Circuit races. Abbedale of the Cox stable was too much for the Western pacer which set a sizzling pace in the first heat, going to the three quarters in 1:30 but being nosed out at the finish by Abbedale in 2:01 1/2, the day's fastest time.

The first three heats of the 2:15 trot produced as many winners, Finavara winning the first, Bingham the second, and Alta Quest the third and fourth.

The Horse Review Futurity had only three starters. Tommy Murphy winning his first event of the week when he piloted Peter Etawah to a straight heat victory, Opheila V. finishing second.

BANNER M WINS
ILLINOIS SPECIAL
Springfield, Ill., Sept. 21.—Banner M., owned by W. P. Broverman of Oskaloosa, Iowa, and driven by Perrey won first in the \$3,000 Illinois Special here today.

REMOVAL NOTICE
After today, Sept. 21st, our store will be located at No. 108 North West Street, entrance opposite east door of court house, 49 STEPS FROM WEST STATE ST.

We cordially invite our friends and patrons to call at our new location where they will find a full line of groceries, fresh vegetables, and a delicatessen department.

Heimach, losing pitcher Robertson; umpires Moriarity and Guthrie; time 1:55.

SISLER BEST PLAYER
IN AMERICAN LEAGUE
CHICAGO, Sept. 21.—George H. Sisler of the St. Louis Browns, generally rated as the greatest first baseman in the major league tonight was awarded the American League trophy offered by the club owners, as a reward to the player who proved of greatest service to his team during the 1922 championship season.

Sisler's name will be the first inscribed on the \$100,000 baseball monument to be erected by the American League in East Potomac Park, Washington, D. C., and presented to the government as a memorial to the national sport and a hall of fame from perpetuating the memory of its greatest players.

YANKS MAKE CLEAN SWEEP
DETROIT, Sept. 21.—The New York Yankees today displayed a spirit that would not admit defeat and made a clean sweep of the series with Detroit, taking the final 9 to 8, although menaced at every turn by the Tigers, who are battling to retain third place in the American League.

The work of Ruth and Meusel with the bat was responsible for New York's victory, each hitting a home run. Result of the game might have been altered save for an injury to Daus in the fourth inning. Daus, who started for Detroit had things well in hand until he sprained an ankle in sliding into third base. The Tigers had a comfortable lead up to that time.

New York— . . . 001 203 210—9 11 2
Detroit— . . . 303 200 000—8 14 1
Mays, Hoyt, Jones and Schang; Daus, Olsen, Oldham, Ehmk, Cole and Bassler.

LEONARD-WHITE BOUT POSTPONED

NEW YORK, Sept. 21.—The lightweight championship bout between Benny Leonard, title holder, and Charlie White, of Chicago, scheduled at Jersey City, Oct. 3, was indefinitely postponed today. Another operation on Leonard's jaw for bone affection was announced as the cause. Surgeons who examined Leonard's jaw announced that considerable further treatment would be necessary and it is understood he will not be ready to re-enter the ring until November or December. It is probable that the bout with White will be staged in Madison Square Garden this city, towards the end of the year.

PITTSBURGH AGAIN
DEFEATED NEW YORK
New York, Sept. 21.—Pittsburgh today reduced New York's lead in the National League race to three and one-half games, defeating the world's champion Giants in the second game of the series 6 to 1.

Maranville, the Pittsburgh shortstop punched Rawlins in the head in the third inning after a force play at second and was put off the grounds. Coach Dolan of New York was put off the field also. The score:

Club— R H E
Pittsburgh . . . 021 020 010-6 10 0
New York . . . 000 000 100-1 6 2

Seventh Place O. K. States Connie Mack Welcomes Upward Trend, Though It's Only a Notch, After Years at Bottom.

By Billy Evans
"Seventh place will make as big a hit with me in 1922 as winning of pennants did not so many years ago," Connie Mack said to me recently, when I came to Philadelphia to umpire a series between Boston and the Athletics—a series on which seventh place hinged.

I had just come from New York, from officiating at the series between the Yanks and St. Louis—a hectic struggle for first place.

St. Louis invaded New York with a half game lead. By winning the first game it increased this to a game and a half. Then the Yankees won the next three leaving New York in front by a game and a half.

The final game went 11 innings. Smiling But Serious
When I came out to start the first game between Boston and the Athletics, Mack remarked to me:

"Well, you're in for another crucial series."

A bit of smile played over his countenance as he said it. From the sublime to

INTERESTING NEWS FROM MURRAYVILLE
Brief Paragraphs from Murrayville and Vicinity.
MURRAYVILLE, Sept. 21.—Mr. and Mrs. J. L. Solomon were

guests of relatives in St. Louis Sunday, and on Monday they left on the Steamer Alabama for Southern Tennessee, and several other southern points of interest. They will be away about ten days. Among those who were called here by the death of J. W. Fanning were, Mr. and Mrs. G. L. Elliot, of Troy, Ill.; Mr. and Mrs. Lee Bailey, and Mrs. L. G. Bybee, Springfield; Mr. and Mrs. James Vasconcellos and son James, Jr., Chicago; Charles Fanning, Canton; Mr. and Mrs. Ira Fanning, Carrollton; Mr. and Mrs. C. M. Fanning of Baylis, and Rev. and Mrs. C. S. McCullom of Cowden, Born, Wednesday, Sept. 13, to Mr. and Mrs. J. W. Gunn of Lowder, a son, Charles Thomas. Mr. and Mrs. John Blakeman of Manchester spent Wednesday with his mother, Mrs. M. A. Blakeman. Elvis Jennings of Jerseyville visited his sister, Mrs. Martha Haynes, and family Sunday. J. K. Cunningham had the misfortune to lose a spade from his wagon last week between here and his farm, he would appreciate it, if the finder would report to him.

Mr. and Mrs. William Wade and children visited Mr. and Mrs. Harry Phelps in Jacksonville Saturday and Sunday. Mr. and Mrs. Laverne Barkley of Pittsfield spent the week end with Rev. and Mrs. L. T. Henninger. The Henningers have been transferred from this place to Plymouth and expect to leave this week. Rev. and Mrs. Henninger carry with them the best wishes of a host of friends to their new field of labor. Elijah Bacon, who underwent a serious operation last week at Passavant hospital in Jacksonville is reported to be doing nicely. J. E. Thompson is having the paint on his building that was blistered by the fire, burned off, so he can have it repainted soon. William McGinnis, who has been seriously ill for several months, died Tuesday morning at 4 o'clock.

Mr. and Mrs. C. J. Vaughan of Jacksonville visited home folks Sunday afternoon. Mrs. Lizzie Adams of Ada, Minn., who was called here by the death of her sister, Mrs. Charles Hicks, is visiting her cousin, Mrs. J. A. Carlson and relatives here this week. Mrs. Jesse Seal and children spent Tuesday with relatives in Manchester. Mr. and Mrs. Arthur King and son were guests Sunday of T. G. Deedles and family. The members of the I. O. O. F. lodge have purchased the lot adjoining theirs from Mrs. Emma Elder and will erect a new hall, with store rooms below, in the near future. Rev. W. S. Harms the new pastor of the M. E. church is moving here this week from Palmyra. Harry Seymour has purchased the E. W. Hull property and moved there last week.

BERLIN DREAMS OF LUXURIOUS TRAVEL
Hopes to See Giant Floating Air Palaces Crossing Atlantic in Sixty Hours.

BERLIN—Will the air over the Atlantic shortly be roaring with giant floating palaces capable of making the trans-oceanic flight in 60 hours?

Some enthusiasts, who claim definite plans are under consideration for the monster trans-Atlantic air liners, are described in other quarters as mere "pipe-dreamers," dealing in just ordinary "castles in the air." The proposed ships would each have a gas capacity of 110,000 to 150,000 cubic meters. They would tear thru the clouds at the rate of 140 miles an hour, unless there was no urgent demand for speed, in which case they would slow down to 100 miles. Such a vessel would be 275 meters long, 35 meters wide at its greatest diameter, and 39 meters high from the top of the gas-bag to the bottom of the body. The power would be provided by five motors of 800 horsepower each. Its carrying capacity would be 80,000 kilograms, of which 40,000 would be required for fuel, food, etcetera, the remainder being for mails and passengers. The estimated passenger accommodations would allow for 100 fares in addition to a crew of 50. The mammoth airships would be equipped with all possible comforts and conveniences, resembling in comfort the great ocean steamships now in service.

German gossip on the aerial possibilities of the near future does not rest, however, with the channels over the Atlantic. A prophecy is made that many years will not pass before the United States will have inaugurated a service between her mainland and the islands she holds in the Far East.

Mr. and Mrs. L. C. Moss and daughter of Joy Prairie were visitors to the city yesterday. Herbert Challenor came in from Joy Prairie yesterday on a business mission. Mrs. J. A. Webb of Concord was a visitor to the city yesterday. Edward Houston of Joy Prairie was listed among the callers in the city yesterday. Jason Clark of Arcadia journeyed to the city yesterday.

COTERIE MET WITH MRS. JOY AT CHAPIN

Regular Meeting Held Wednesday Afternoon With Mrs. Alice Joy as Hostess—Other Chapin Items.

CHAPIN, Sept. 21.—Mrs. Alice Joy was hostess to the members of "The Coterie" Wednesday afternoon at her home on Joy Prairie. Sixteen members were present and answered to roll call by telling a funny story. After a brief business session Mrs. W. R. Zahn read an excellent paper naming and describing "Our National Parks." Mrs. Newton Wilson favored the club with several piano numbers. "The Humoresque" being given by special request as a final number.

During a delightful social hour that followed, the program dainty refreshments were served by the hosts.

Rev. and Mrs. O. W. Lough entertained a party of boys Wednesday afternoon from 4 to 6 o'clock in honor of their son, Gerald's ninth birthday. The guests were the boys in his class at grade school and were accompanied by their teacher, Mrs. Weeks, who assisted in entertaining. The time was spent with games and a general good time on the paragon lawn. The delicious ice cream and cake generously served by Mrs. Lough added much to the boys' pleasure. Those present were: Mrs. Weeks, Charles Mattes, Carl DeSollars, Aaron McDaniels, John Crabtree, Desmond McQuinn, Jimmie Simpson, Clifford Weeks, Gerald and Byron Lough.

Mr. and Mrs. George Havmakere of Bushnell are visiting friends here.

Mr. and Mrs. W. I. Williamson went to Greenfield Thursday to visit their daughter, Mrs. Vick Parks.

Miss Letha Eilers, a teacher in the junior high school in Springfield, came down Wednesday evening for a visit with home folks there being no school this week on account of the state fair.

Mrs. Ada Funk spent Thursday at the home of Mr. and Mrs. Clyde Williams.

Mr. and Mrs. John Eilers and daughter, Meta, and Miss Irma Perbix were among the state fair visitors Thursday.

Mrs. P. H. Ham and guest, Mrs. Minnie Antrobus spent Tuesday in Jacksonville, visiting friends. The Fox family are planning a reunion to be held at the George E. Fox home, north of town. The party will last a week and includes the brothers and sisters with a week end party of the young in the Fox family.

cludes the brothers and sisters with a week end party of the young in the Fox family.

STUDENT ASSOCIATION OF ILLINOIS COLLEGE MET
Yesterday morning at 10:30 the first meeting of the Illinois College Student association was

held for this year. Following a few announcements by Eugene Mellon, president of the association, Hugh Wilson, the secretary, read the minutes of the last meeting.

Bernard Frazer then announced the first college dance which is to

be held Saturday evening in the college gymnasium. At the chapel hour tomorrow Mr. Lovejoy, teacher of voice at Illinois College conservatory of music, will speak on the college chorus and glee clubs which he hopes to get in motion before long.

WHICH DO YOU WANT
Get More Eggs this Fall and Winter!
The one great mistake most poultry raisers make is in the idea that scratch feeds make eggs, and this accounts for their failure to get eggs in the winter and fall.
Scratch feeds do not make hens lay. Just so long as you make scratch feed the bulk of your hen's ration, you will fail to get eggs. Scratch feed is for the hen's bodily maintenance—to make her exercise, scratch—to satisfy her while on the roost, and not to make eggs.
The feed that will make hens lay abundantly must be a soft feed, finely ground and correctly balanced—a feed composed of materials like hens pick up in the Spring, when their egg production is highest.
FUL-O-PEP DRY MASH
The Great Oatmeal Poultry Feed
is that kind of a feed—compounded along nature's lines—made solely to make hens lay. It is a combination of proven egg making materials with several other valuable ingredients which come as near nature's egg-making food as it is possible for expert knowledge, science and experience to produce.
To get more eggs, Feed FUL-O-PEP DRY MASH—all your hens will eat. Keep it where they can get it all the time, and feed Ful-O-Pep Scratch Feed about an hour before they go to roost—then you'll get eggs and lots of them. We guarantee it.

SHARP REACTION
IN STOCK MARKET
By Associated Press.
NEW YORK, Sept. 21.—The
sharp reaction in today's stock
market was mainly due to further
adjustment of a weakened tech-
nical position. Indications that
speculative interests had dis-
counted in all the bullish de-
velopments in sight and were not
disposed to add to their com-
mitments on the long side com-
bined with the marking up of the
call money rate to the highest figure
in seven months induced active
selling for both accounts. Ex-
treme reactions which ran from
one to nearly five points, exceed-
ed those of Monday.

Early prices were generally
higher but bear traders began
picking out weak spots, such as
United States Rubber, common
and preferred, marine preferred
and some of the public utility
shares and hammering them
down one or more points. Their

J. J. MALLER & SON

207 South Sandy Street

Conservator's Sale of Real Estate,

Including Valuable Farm Land,
City Residences and
Vacant Property.

The undersigned as conservator of John Cherry, will on Saturday, September 23, 1922, at 2 o'clock P. M., at the south door of the Court House, in Jacksonville, Illinois, sell the following real estate, all in Morgan County, Illinois, at public vendue:

TRACT 4.—Residence property, No. 216 South Church street.

TRACT 7.—Vacant lot, sixty by ninety feet, on south side of East State street, between Hardin avenue and C. B. & Q. railroad station.

TRACT 8.—Two residence properties, No. 339 and No. 341 Franklin street.

TRACT 9.—Two residence properties, No. 470 and No. 474 South East street, and vacant lot immediately south.

TRACT 10.—Vacant lot, No. 265, in Car Shops Addition near street car line.

TRACT 11.—Thirty five acres, more or less, farm land, near East end of East

State street, about one block from end of new pavement, improved with large barn and shed. (Knock down barn now standing on premises reserved from sale.) Ideal for stock, poultry or dairy farm. This tract is now in corn.

TRACT 12.—Residence property, No. 914 West College avenue. Arranged and occupied as two complete apartments with independent heating plants.

TRACT 13.—Residence property No. 922 West College Avenue.

TRACT 14.—Residence property No. 403 West College Avenue.

TERMS:—One-third cash, one-third in one, and one-third in two years. Deferred payments secured by proper vendor's lien. Ten percent (10%) of purchase price payable on day of sale, balance of cash payment on approval of sale by County Court. All sales subject to Court's approval. Abstracts of title may be seen at my office. Further detailed descriptions and terms furnished on application.

Edward P. Brockhouse,
Conservator of John Cherry.

232½ West State St., Jacksonville, Illinois.

EXHAUST STAFF GIVES PROGRAM AT J. H. S.

Members of School Paper Staff Gave Advertising Show in High School Assembly — Elections to Be Held Today.

Yesterday morning the members of the staff of the J. H. S. Exhaust, the Jacksonville High school weekly, gave a very entertaining little show in the school assembly to stir up subscriptions to the paper.

When Mr. Shaffer announced that this show would be given following the usual announcements he remarked that "nearly every paper is the organ of some opinion, but the Exhaust is no one's organ, it is the paper of every student in the high school." I am sure, he said that this program will be very good and I am anxious to see what it is.

True to the principals expectations the program was a No. 1 affair. A small doorway had been improvised on the platform. Miss Maud Hackett, editor of the publication, stood beside this door and announced that the student body should see some of the numerous things that will be embodied in the paper this winter. She then opened the door.

Thru this doorway came running the representatives of the various sports of the school in uniform. Football was represented

by John Putnam, basketball by Harold Hunter, and track by Harold Kamm.

Next the door opened to admit Miss Lois Harney, representing the music department. She very prettily sang a negro melody.

Miss Emma Mae Leonhard, debating coach, then appeared and announced a debate between the two school literary societies, the "Junior Senate," and the "Forum." The question was, "Resolved, that the Exhaust should be abolished." The debaters were the Messrs. Ches and Wal Nutt, with whom all Journal readers are familiar, as be the contestants. The judges, several cartoon creation, gave the decision to the negative after some witty arguments had been advanced by both sides. The Nutt brothers are otherwise known as Harry Furry, Jr., and Ernest Lair, of the Senior class.

Two clowns, representing the joke page, then came rolling thru the door and entertained the audience by cracking a few wise ones.

Miss Dorothy Dunvan of the Dramatic department gave a short comical reading.

Solicitors then went thru the room getting subscriptions for the first semester.

It was announced that the elections for class officers would take place today. Australian ballots have been made on the office mimeograph and a real election will be carried out, altho the nominees have not had much time for campaign and surprisingly few cigars have been handed out.

BIRTHDAY SURPRISE AT NEELEYVILLE

Mr. and Mrs. Stephen Wood Celebrate Anniversaries in Pleasant Manner—Other News Notes

Yatesville, Sept. 21.—Friends and neighbors of Mr. and Mrs. Stephen Wood gathered at their home in Yatesville Sunday to help them celebrate their birthdays. Mrs. Woods being sixty on Saturday and Mr. Woods sixty-six on Monday. The affair was a surprise to them as they knew nothing of it until the crowd commenced to gather bringing well filled baskets with them.

At noon a good dinner was served, consisting of fried chicken and other good things to eat. Those present were: Mrs. Sarah Brown, Mr. and Mrs. John Henderson and family, Mr. and Mrs. Henry Means and granddaughter, Louise Williams; Mr. and Mrs. Charles Edward and family; Mr. and Mrs. K. Green and daughter, Gertrude, and Mrs. Nettie Long and children, all of Ashland; Mr. and Mrs. Ollie Moore, Miss Helen Pearl of Georgia and Miss Wolford of Ashland.

Miss Agnes Lonergan and Miss Clara Edison came in the afternoon making thirty two present during the day. Late in the afternoon the guests all departed for their homes wishing Mr. and Mrs. Wood many more happy birthdays.

Mr. and Mrs. Harry Allen and children spent Sunday evening with Mr. and Mrs. Ollie Moore. Mr. and Mrs. Ross Baptist of Petersburg spent Sunday at the home of the latter's parents, Mike Cashin and family.

Mr. and Mrs. Harry Shirlcliffe and children spent Sunday evening at the home of Mr. and Mrs. John Henderson.

NEW M. E. MINISTER ARRIVES IN WAVERLY

Rev. C. W. Ivie Filled Pulpit in New Charge — Mrs. Frank Brown Returns from Iowa — Other Waverly News of Interest.

Waverly, Sept. 21.—Rev. C. W. Ivie the newly appointed minister of the First Methodist church filled his appointment here Sunday morning. Rev. C. W. Hamond, the former pastor, will leave this week for Camp Point where he has been assigned.

Mr. and Mrs. Bruce Reinbach of Decatur spent Sunday visiting friends here.

Mrs. Frank Brown returned from Iowa where she was called a month ago by the illness of her brother.

Mr. and Mrs. Bert Farmer and son, Bobbie, returned to their home in Clinton having spent several days visiting at the home of the former's parents, Mr. and Mrs. B. J. Farmer.

Lawrence Duncan, Russell Arnold, George Alderson and Lorain Dennis left Wednesday in a Ford car for Los Angeles, Calif., where they expect to secure employment.

Mrs. W. H. Moulton and son Guy left Thursday for Cedar Rapids, Iowa, having been called here to attend the funeral of C. L. Gates.

Mrs. Barten Hopson and little daughter, Margie Ellen of Girard spent the day visiting friends here.

ADMINISTRATOR'S NOTICE

Estate of William T. Craig, Deceased.

The undersigned, having been appointed Administrators of the Estate of William T. Craig, late of the County of Morgan and State of Illinois hereby give notice that they will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the December term, on the first Monday in December next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this 21st day of September, A. D., 1922.

LELIA M. CRAIG,
HARRY G. CRAIG,
Administrators.

Carl E. Robinson,
Attorney.

CLAIMS GLIDER TO CLIMB 20,000 FEET

CLEVELAND—A motorless air plane, capable of climbing to an altitude of 20,000 feet, is forecast by Dr. George H. Madelung, designer of the successful Hanover glider, which, in a recent glider competition in the Rhine valley, broke all records by staying in the air for more than three hours.

Dr. Madelung now is a member of the designing staff of a local airplane company. Describing phenomenal development of the machine, in Germany, he explained its operation.

The machine has a gliding angle of sixteen to one, that is, in still air it glides sixteen feet to every foot it descends. It has a still air speed of twenty miles an hour. If the wind is twenty miles an hour, the glider remains stationary, and if more than that, it goes backwards, but if the air current is upward, the glider ascends. It is upward currents of air that the glider places main dependence for keeping aloft for more than brief periods.

In sailing for a considerable distance the glider pilot must know approximately where he will encounter upward currents, plowed fields and other open spaces where the heat of the sun creates considerable up current, are favorable places. It is for this reason that the charting of the air currents has become necessary for the commercial development of the glider.

When the places along a certain route where air current may be encountered become known, flights of hundreds of miles and ascents of more than four miles may be accomplished, Dr. Madelung said.

He pointed to the hawk and other soaring birds as an illustration. The hawk will sail down to a field, whence it will cycle in ascent, forced upward by the rising air caused by the reflected heat of the field. When it has reached a sufficient altitude it soars away, to repeat the process miles away.

In this connection, Dr. Madelung said:

SECRET OF A GOOD DISPOSITION.

A woman who carefully safeguards her health benefits her disposition. She will be happy and attractive to all. The world unfortunately is filled with sweet women who are unhappy because they are held back from usefulness by troubles so common among them. Fretfulness and nervousness rapidly destroys good dispositions. Sickly, all-worn-out women cannot make happy homes.

Lydia E. Pinkham's Vegetable Compound is a safeguard of women's health. This is clearly proven by the many letters we are continually publishing in this paper, from women who have been restored to health and happiness by its use after years of suffering. Why don't you try it?—Adv.

lung commented, that the hawk and other soaring birds do not fly at night.

Mrs. Emma Cully and daughter, Miss Elsie, of Joy Prairie were visitors to the city yesterday.

Mr. and Mrs. Charles Stevens of Little Indian were among the Thursday visitors to the city.

SATURDAY NIGHT

OR
EVERY DAY?

Do you know that bathing every day is a most wonderful

HABIT

And do you know that with your bath you also take from 10 to 15 minutes of

EXERCISE

Your Home Needs a Victrola

Every home does. Without the joy and happiness that the Victrola brings into your home you are surely missing one of the best things of life. You may dance to the world's finest orchestras; you may enjoy at any time the masterpieces of Elman, Kreisler, Caruso, Galli-Curci and a host of others; you may forget your cares with the rollicking mirth of Harry Lauder; the most beautiful sacred songs of the famous Trinity Choir are always at your call.

Easy Payments Arranged.

The Value of Time

Time is the most valuable possession of man. Out of it comes all of his works in the world. Minutes never come back.

To possess a good watch is an indication of character, indicating a true regard for time.

We carry an unusually large assortment of watches for boys, men and women, in a price range that will meet every pocket.

A watch from this shop is always a good watch. The new cases in white gold and combinations, plain or engraved, are beautiful and inexpensive.

RUSSELL & THOMPSON

The Choicer Diamonds—Loose and Mounted

Workers in the woods frequently find the trail blazed by the axes of those who have gone before. Guided by these marks, they easily find their way.

Advertisements perform a similar duty for you in the important business of spending your money. They point the way to values of which you would never know if they were not there to guide you.

Do you read them? Wise shoppers do. They are the economical buyers—the ones who keep themselves strictly up-to-date on the best opportunities for saving money, or spending it judiciously, which is one and the same thing.

Read the advertisements in this paper. Read them to know what's what in the shopping district. Read them because they place before your eyes a moving panorama of business progress. Read them to save money—to save steps—to save disappointments. Read them because they blaze your trail to satisfaction in your every day buying.

Read them regularly. Follow their guidance.
It Pays.
